Russo-Czech Alliance May Be Abrogated

Agreement Between Ger-
man And Czech Officials
Is Foreseen

CANCELLATION TO BE DEMANDED

(International News Service)
BERLIN, Oct. 13.—A tentative "common understanding" between Germany and Czechoslovakia, looking toward eventual abrogation of the Russo-Czech military alliance, was reached in an important conference between German and Czech officials today.

Joachim Von Ribbentrop, German foreign minister, conferred at length with Frantisek Chvalkovsky, Czech foreign minister, and Dr. Vojtech Mastny, Prague's minister to Berlin. Official quarters described the talks as extremely satisfactory.

To Ask Sanction
When Reichsfuehrer Adolf Hitler has approved the outcome of the deliberations, it is expected the international commission named after the Munich conference will be asked to sanction immediate liquidation of all outstanding Czech-German questions.

The Fuehrer, it was understood, is insisting upon early reorientation of all phases of Czechoslovak foreign policy. One of the first requisites will be formal cancellation of the alliance between Czechoslovakia and Soviet Russia.

Such action will clear the way for open German military support of Czechoslovakia against Moscow, as well as termination of all communist activities in Czechoslovakia. An eventual anti-semitic campaign in Czechoslovakia is anticipated.

Hitler is reported anxious to clear up the Czechoslovak problem entirely to enable him within a few weeks to reopen discussion of the colonial issue in the hope of inducing some sort of amicable settlement.

PA NEW OBSERVES
Pa New was informed last night that a well known barber who drove his auto downtown, came home one day and found it locked. He accidentally locked his auto when parking it with the keys locked inside.

J. D. Moore, auto mechanic, has begun razing his building on North Cochran alley, occupied as a garage and repair shop, to make room for a more pretentious structure. The building, an old brick structure, is located adjoining the Sears and Roebuck building on the north side. The new building to be erected by Mr. Moore will be of brick construction.

This city is said to be overrun with skunks, mostly four legged. The skunk is also known as the polecat. Pa New was to trap them when a boy, and is somewhat of an authority on their habits. Skunks are usually black with two white stripes down the back. Their fur is longer than a cat's and they have bushy tails. They are noted for their perfume, which is somewhat stronger than eau de cologne or rose water. Skunks are harmless when unmolested, but if you strike or corner them, they resent it with their perfume. Their fur is valuable, sometimes being panned off as Alaska seal.

Most every motorist has been more or less annoyed by the rhythmic jolt along a concrete road. This is caused by the raised expansion joints. It is nothing like riding over a washboard road, but it is nevertheless somewhat disconcerting. Looks now as if this little annoyance is to be taken out of motoring, as the state highway department claims to have found a compound for sealing expansion joints, that will make the highway as smooth as a skating rink floor.

Legislative candidates throughout the commonwealth and heads of state tickets are being asked some questions. (Continued On Page Two)

DEFINITE CLUES AIDING IN HUNT

(International News Service)
NEW YORK, Oct. 13.—A 25-year-old domestic servant who tried to force her into a car early today at Suburban Mamaroneck, a mile and a half from the Larchmont lot where the battered and criminally assaulted body of Mary Coyle, 17, was discovered Tuesday.

The Mamaroneck girl, whose name was withheld, told police the young man in a brown sedan accosted her as she left a railroad station. Her scolding of their advances caused them to halt their car and attempt to force her into it.

Horried and frightened, the girl ran screaming. This prompted the pair to jump into their car and disappear.

Seek To Locate Youths
Police declined to say whether they believed this incident had any bearing on the Coyle murder but immediately broadcast a description of the youths as given by the hysterical girl. They pointed to the similarity to the car driven by the youths and that seen disappearing from near his New Rochelle home by Mortimer Hersh after he and his wife had heard a girl screaming for help Monday night a few hours before Mary's lifeless body was found.

Discovery of Mary's blood-stained brown coat in underbrush about 150 yards from her New Rochelle home, provided Westchester county police with a definite clue.

Temple Defacers Confess Guilt

After an investigation of the past several days County Detective Paul A. Welsh cleaned up the mystery of the defacing of Temple Israel late Wednesday afternoon. Two boys of the North Hill, one 13 and one 15, were taken into custody and after questioning, confessed they were guilty of scoring the walls and windows of the temple and of breaking windows.

After hearing their story Marcus Feuchtwanger, president of the board of directors refused to prosecute saying he believed the boys had learned a lesson and that there would be no recurrence of the trouble.

Than \$1,100

(International News Service)
PITTSBURGH, Oct. 13.—Three armed bandits kidnaped a motorist during the night and then pulled off four sensational stickups which netted them more than \$1,100, police reported today.

The robberies were carried out without a flaw despite the special squad of 18 veteran policemen assigned to halt the current crime wave. All told 25 persons were held at bay during the night by the bandits' revolvers.

John Kowalewski, 25, was the kidnaped motorist. He told police three armed men slugged him with a gun and then drove his car around for several hours while he lay helpless on a back seat. Finally, he said, he was shoved out of the machine into the streets early this morning.

Biggest victim of the trio was Nathan Rosenberg, owner of a pharmacy store, who was robbed of a \$1,000 check and \$350 in cash. Other victims included a restaurant and another pharmacy and the Skibo Inn on Carnegie Tech campus.

Geneva Freshmen Capture Grove City Invaders; Mustache Is Forfeited

(International News Service)
BEAVER FALLS, Pa., Oct. 13.—Missing from the campus foliage at Grove City college today was the luxurious mustache of one of its handsome male students.

This once flourishing hirsute hedge over the upper lip was no more, for hair by hair it had been snipped away last night by the entire freshman class of Geneva college.

The hapless mustache sprouter was one of 15 Grove City college boys who were captured by the 150 Geneva freshmen when they invaded Beaver Falls to paint the Geneva "Golden G" a bright brilliant Grove City red.

The Geneva freshmen took their captives to the college stadium. A huge bonfire was built. There, by the roaring flames, a "mock court" was held. The jury ruled that each of the 150 courageous freshmen be entitled to cut one hair from the mustache worn by the hapless Grove City student.

The invasion was Grove City's retaliation to a prank of Geneva college boys a few days ago. During the night, they painted "East Grove City" all over the sidewalks in Grove City. The annual Grove City-Geneva game will be played here tomorrow night.

HONG KONG, Oct. 13.—Two thousand Chinese troops have been "liquidated" since the Japanese invasion of South China, aimed at destroying the huge port of Canton as a military source of supplies, got under way yesterday morning, Japanese authorities announced today.

An official Japanese communiqué stated the South China offensive, which drew a stern British warning to Tokyo to respect foreign rights is being carried out by the Japanese naval air force in cooperation with attacking ground troops.

On Major Scale
Revelation that the fighting already has caused 2,000 Chinese casualties indicated that the hostilities, reported to be occurring closer to the Hong Kong border, are being waged on a major scale.

Added precautions were taken in this British crown colony and naval base as the battle moved nearer to Hong Kong's borders, where the regular frontier guards have already been reinforced by British troops.

Police reserves were called out for active service until further notice—presumably until the threat of possible harm to Hong Kong is past.

Authorities here expected a decisive battle which may settle the fate of South China may get under way before nightfall.

Bard Makes Appeal To State Court

Would Reargue Removal Right

Two Other Court Decisions Not Included In His Appeal

GRAND JURY PROBE IS BEING DELAYED

(Continued From Page One)
(International News Service)
PHILADELPHIA, Oct. 13.—In a 17-page petition, Attorney General Guy K. Bard today urged the state supreme court to rehear argument on the question whether he has absolute authority to supersede District Attorney Carl B. Shelly in conducting the proposed Dauphin County grand jury investigation of the Earle administration.

HARRISBURG, Oct. 13.—Attorney General Guy K. Bard carried a new graft fight petition to the supreme court today, this time an appeal for reargument of his right to remove from District Attorney Carl B. Shelly's hands the projected local grand jury investigation of state corruption charges.

The attorney general personally restrained from taking over the inquiry by a high court ruling ten days ago, said he would file his reargument petition with the court in Philadelphia today. This was the last day for him to take counteraction on the decisions under the 10-day period allowed by the court.

Two Others Not Included
There was no indication here that Bard had included in his petition either of the other two legislative acts which were invalidated by the supreme court when it handed down its conditional ruling on the act relating to the attorney general. The supreme court had upheld the principle of the new measure affirming the attorney general's right to supersede a local prosecutor, but held that Bard, as an appointee of the governor, was disqualified from taking over the present probe. Gov. George H. Earle is included among those accused in Shelly's graft charges.

Acts 1 and 4 of the current special legislative session, both held invalid by the court, would have prevented Shelly from starting his grand jury inquiry until the present house investigation was completed. As it stands, the legislative probe now being conducted here appeared destined to be the only formal investigation of the charges to be realized before election day. November 8. Legal delays were seen as forestalling the grand jury probe at least until then.

be opposed by 250,000 picked Chinese troops. If all of these Chinese forces set into action, some circles predicted, the Japanese will run a grave risk of suffering a damaging defeat. So far, however, the Japanese have moved steadily forward, advancing in the direction of Canton after air bombers blew up bridges at the vital Kowloon-Canton railway.

To meet the Japanese military tide, formidable Chinese divisions moved out of Canton toward Wai-chow, where a major clash was expected to occur.

Watch Your Step
As her troops moved in, Japan grimly warned the United States and other nations to watch their step in areas where hostilities are in progress.

A note from Tokyo urged foreign authorities to "refrain from moving troops, warships and aircraft into South China" during the military operations.

At the same time, the British government, through Ambassador Sir Robert Craigie in Tokyo, warned Japan to respect the rights of Britain in South China and expressed special concern for the safety of the Canton-Kowloon railroad, stressing that its operations must not be interrupted.

What action Britain now will take since this railroad was severed by the Japanese within a few hours after the invasion began, was a matter of keen speculation here. It was pointed out, however, that British trade and business in Hong Kong will suffer severely, since business transactions with China have been largely dependent upon the Kowloon-Canton rail link.

The body was removed to his home in Troy today for burial. He was single and is survived by his mother, it is stated. He had been a friend of Wyatt Campbell for a number of years, the latter stated.

He was a wholesaler and visited only jobbers. His usual custom was to call on Mr. Campbell in the evening, he stated, and prior to that would occupy himself with golf or some other amusement. He had suffered a severe heart ailment several years ago, Mr. Campbell said, but had recovered and although ordered to curtail his activities had continued in the profession which he had been engaged during his lifetime.

The questions, being put out by the Allegheny County Real Estate Board, express the ideas of a majority of taxpayers who believe that the whole expense of maintaining schools should not be saddled on to real estate. No social trend of the times is more significant than the increasingly close co-operation between people who reside in cities, and those who dwell in the country. Here in New Castle our Chamber of Commerce and civic bodies are continually pointing to the community of interest between these two populations. What helps the farmer to prosper benefits the city dweller. Turn the statement around and it will be equally true. The one group cannot get along without the other.

In the community, and it was he with a few others who founded the Old Timers Day which grew into such an important annual reunion here. He served the Old Timers Day association for many years as secretary, and was one of the association's guiding spirits until the end.

William T. Butz was born in New Castle July 11, 1853, son of Paul and Margaret Weiland Butz. His father, Paul Butz, was born in Basil, Switzerland, and when he came to America as a young man he married in Pittsburgh and then settled in New Castle where he established the Croton gardens. In 1851 the Butz flower firm was organized, and it has been operated by the family ever since.

Wife Died 14 Years Ago.

William Butz married Miss Sallie Hutchman on February 15, 1882; he lost his wife by death 14 years ago. Surviving are one son, Paul Frederick Butz; one daughter, Mrs. John W. Norris, with whom he made his home; five grandchildren, Pauline, Jack and Mary Butz, Edwin and Sally Norris, all of this city.

He also leaves four sisters, Caroline, Etta and Rose Butz of this city, and Mrs. Riley M. Tidball of Lincoln, Neb., and three brothers, Frank P. Butz of New Castle, Albert of Cleveland, O., and Harry A. of Los Angeles. William Butz was the oldest of 12 children.

PROF. BIGGS WILL DESCRIBE MEXICO

Next Tuesday evening, October 18, at 8 o'clock in the First M. E. church parlors, the Queen Esther Auxiliary will have their annual entertainment.

Prof. Wallace R. Biggs of Westminster college, will give his travel-talk and will show colored movies of Central Mexico. Prof. Biggs visited the interior of Mexico last summer for the second time and has secured some very beautiful and unusual pictures. The many friends he made last year, with his tales of travels on a tandem bicycle, will be glad of the opportunity to hear his new lecture.

Refreshments will be served by the auxiliary members. This is a program which will interest the whole family. Mrs. Russell Shields, president, announces the following committee who will be in charge: Thelma, Mrs. Vernon, Edna, and Miss Martha Bailey; refreshments, Mrs. J. L. Fink and her group; tables, Mrs. Al Robbins, Mrs. Edward Hoyer, Mrs. W. H. Shadick, and their groups.

MRS. WILLIAM KYLE HONORED BY ASSOCIATES

Honoring their associate, Mrs. William Kyle, nee Gladys Gray, the employees of the Public Library entertained at a delightfully informal party on a recent evening, which took the form of a shower.

The event was held in the home of Miss Alice Sterling on Shaw St. and the hours were pleasantly spent with a varied program of pastimes. Lunch was served at a suitable hour.

Mrs. Kyle was presented with a beautiful gift in behalf of those gathered at the close of the evening.

MISSIONARY CABINET SEMI-MONTHLY MEETING

Members of the Missionary Cabinet of the First Presbyterian church met with Mrs. H. E. Golder at her home on East Winter avenue on Wednesday afternoon for their semi-monthly assembly.

Mrs. Golder was assisted in the session by Mrs. J. J. McIlvaine. The cabinet will be hostess to the Shenango Presbytery when it meets at the church on Thursday, October 20, and plans were devised for this date. Mrs. L. B. Roud will be chairlady for the praise service which will be conducted in the church on Sunday, November 20. Early in December is the date set for the fall festival to be held also at the church.

In the serving of a tasty lunch, which climaxed the event, the hostess was assisted by her daughter, Mrs. H. R. Barnard of Rome, N. Y.

LONDON BRIDGE CLUB HONORED MRS. PRESTON

At the regular assembly of the London Bridge club held on Wednesday evening in the home of Laura Bacon, Grandview avenue, Mrs. Ralph Preston was honored, when the group presented her with a lovely gift, in remembrance of her birthday anniversary. The presentation was in the nature of a treasure hunt.

Tables of cards held sway during the early period, trophies going to Mrs. Harold Dinsmore and Mrs. William Reeh. A tempting repast was served afterwards, the hostess being aided by her mother, Mrs. E. R. Bacon.

On November 2, Mrs. William Reeh will entertain the club.

The W. W. T. club met at the home of Mrs. J. A. McFall, Sr., of Walmo, on Wednesday evening. Michigan was played throughout the evening and prizes were won by Mrs. Lucy Covert and Mrs. J. R. Mears. Candy and nuts were served at the tables.

In two weeks the club will meet at the home of Mrs. J. R. Mears, of Butler avenue.

B. AND O. PARTY FOR FAMILIES IS SUCCESS

Wednesday evening the B. and O. auxiliary and veterans entertained at a dinner party in the American Legion home with families sharing as special guests. Places marked for one hundred at the attractively appointed tables, centered with flowers of the season, and set off in the glow of candles.

The charter was draped afterwards, in memory of their grand president, Mrs. O. L. Wellburg, of Lima, O., who passed away last week this being conducted in an impressive manner.

Bingo and 500 provided the pastimes afterwards with Fred Fox and Mrs. William Horcher winning the prizes for the first contest named and Mrs. B. E. Sene and I. C. Bowman for the second.

The committee responsible for the success of the occasion, included Mrs. Ray Muder, Mrs. Harry Evans, Mrs. John P. Thomas, Mrs. William Ronk, Mrs. Joseph Paluszak and Mrs. George H. Wyman.

EAST SIDE GARDEN CLUB LUNCHEON MEET

Mrs. Arthur Martin of Hillcrest avenue, received the East Side Garden club members in her home on Wednesday afternoon for a 1 o'clock luncheon and business meeting.

A display of gauds in a decorative setting, was a highlight of the afternoon.

Splendid papers were given on the "Life of John Burroughs" and that of "Luther Burbank" by Mrs. Glen Orr as the following feature. Mrs. Sherman Klison concluded with another article on "Women Who Have Influenced Gardens in America."

On November 9, Mrs. Katherine McEnture of East Wallace avenue, will entertain.

CANTER BRIDGE CLUB GUESTS WEDNESDAY

Canter Bridge club members, enjoyed an informal gathering on Wednesday evening, with Mrs. C. E. Kennedy, hostess, at the home of Mrs. C. W. Brown, North Crawford avenue. As a special guest, they had Mrs. George Waller.

Bridge was the pastime, the awards going to Mrs. C. W. Brown and Mrs. Alfred Mann. The "gallop" was won by Mrs. William Boyd, and a special luncheon gift was presented to Mrs. Waller. A delicious lunch was served at the conclusion of play.

In three weeks, Mrs. Alfred Mann of Castledown, will entertain at her home.

Old Time Rebekahs. Members of the Old Time Rebekahs met in the home of Mrs. Prudence Hay on English avenue Wednesday for a luncheon at noon. Bingo was the pastime that followed, with Mrs. Edith Campbell and Mrs. May Sisley winning the prizes.

Mrs. Laura Moser will entertain on Wednesday, November 9, at the home of her son, Fred Moser, 730 Butler avenue.

Wimodausis 'Guest Day' Luncheon Is Well Attended; Fine Program

"Guest Day" a novel presentation of "An Old Scrap Book" with a modern trend, and a talk on "Red Cross Work In Our Community" by Miss Margaret F. Bodenstein of the local chapter, were highlights of an especially interesting and entertaining meeting held Wednesday afternoon, by Wimodausis club members, in the Scottish Rite Cathedral.

Mrs. J. L. Fink and Mrs. E. B. Bartlett presided as co-hostesses on this occasion, which was attended by persons numbering 180. Mrs. G. D. Hildebrand is president of the organization.

Launched festivities, the group was served a delicious luncheon promptly at 1 o'clock in the West dining room.

While the women tapered off the menu with dessert, they had the pleasure of hearing Miss Bodenstein, executive secretary of the local Red Cross, give an excellent short address on her field of work inside and outside the community.

Adjoining to the East lodge room, the entertainment was given under chairman, Mrs. Bessie Pitzer, and her committee of two, Mrs. John Brinton and Mrs. Howard Erwin. It centered around "The Old Scrap Book."

As Mrs. Brinton and Mrs. Erwin joined in a bit of reminiscing, cleverly worked in rhyme and told to music accompaniment with Mrs. Cyrus Ingham at the piano, Master Bobby Brinton, in full dress suit, turned the pages of a gigantic "Scrap Book." As each page was leafed through, living pictures portraying characters of yesterday and today, some the essence of sweetness, others historic and comic in their tin type fashion, were shown, each telling a different story.

Characters were portrayed by the following: "Columbus" by Mrs. W. H. Shipley; "Indian" by Mrs. John Crowl; "Puritan Girl" by Mrs. Earl Buzzard; "George and Martha Washington" by Mrs. Samuel Wein-

NORTH BEAVER JUNIOR GARDEN CLUB ASSEMBLY

"Marihuana, Assassin of Youth," was the topic chosen by C. A. Stewart when he spoke before the North Beaver Junior Garden club Wednesday evening in the home of Mr. and Mrs. A. Butler, of Mt. Jackson. Mr. Stewart covered the subject, telling of its nativity and introduction into this country. He told also of uses of the plant, both legal and illegal, and the terrible hold it has today on the youth of our country.

Mrs. Ella Reed gave the "Garden Hints" and Frank Coen, the game warden, was also a speaker. "Conservation of Wild Life in Pennsylvania" was his topic and he gave a most interesting talk on the beginning, progress, and present methods of conserving wild life in this state. The musical part of the program was under the direction of Howard Gilmore who presented a vocal solo. A vocal duo and piano duo were presented by Louise and Wilbur Butler. Mrs. Butler accompanied the vocal duo.

The next meeting will be on the second Wednesday evening in November with Mr. and Mrs. J. W. Fullerton of the Mt. Jackson road. The program will consist of "Garden Hints" and "Topics of the Day" by Miss Grace Reed. There will also be a guest speaker.

Engagement Announced

Mr. and Mrs. Pasquale Russo, of South Wayne street, announce the engagement of their daughter, Tillie Russo, to Joseph Medure, son of Mrs. Jennie Medure, East Home street.

The date of the wedding will be announced later.

Mr. and Mrs. Walter C. Gilmore opened their home on East Washington street Wednesday evening, to members of the Six O'clock Dinner club, for their regular social event.

Earlier in the evening however, the group was served a full course chicken dinner at a prominent tea room. The card period at the Gilmore home, rounded out their program of entertainment. Those winning prizes included Mrs. John Morgan, Dr. G. S. Jenkins and Mr. and Mrs. A. C. Hyde.

Plans were made for a Halloween party, with Mr. and Mrs. Frank R. Doyle, chairmen in charge of the arrangements.

On Wednesday, November 2, Mr. and Mrs. James Everhart of North Crawford avenue will entertain at their regular assembly.

N. S. Club Meets.

Members of the N. S. club met Wednesday evening at the home of Mrs. Julia Fire, 420 Division street, with Miss Lucy Fire acting as hostess.

Plans were discussed for a Halloween party, which will be held on October 26. The election of new officers will also take place at this meeting.

Bingo was the main attraction, with prizes going to Margaret Volpe, Adeline Volpe, Teresa Colella and Lucy Fire. The club tokens were won by Teresa Colella and Carmela Masini.

At an appropriate hour a daily luncheon was served by the hostess, assisted by Mrs. Julia Fire. The special guest was Teresa Alfredo.

Mrs. Nicolina Cassella will receive the group in two weeks at her residence on Taylor street.

Mrs. William Isaac Honored.

Mrs. William Isaac, a recent bride, was the honored guest on Wednesday evening, when members of the 105 club gathered at a downtown tea room where they enjoyed a 6 o'clock dinner. Covers were laid for 14, and the table was made festive with its Halloween decorations.

After the dinner, the group motored to the home of the honored guest on Highland avenue, where the remaining hours of the evening were spent in playing games.

The special feature of the evening was the presentation of a beautiful gift of silver to Mrs. Isaac in behalf of the club.

The next meeting will be in November, with Mrs. Arthur Harris and Mrs. Evan Owens acting as co-hostesses.

Diszy 8 Club.

The Misses Julie and Elizabeth Terranova were charming hostesses when members of the Diszy 8 club met on Wednesday evening at their home on Pollock avenue.

Following the short business meeting games were played. Prizes were won by Helen Villani and Anna Markell.

At a later hour the hostesses served a delicious luncheon.

In two weeks the Misses Mary and Jeannette Pecoraro will be joint hostesses to the group when they gather at their home on Bleakley avenue.

Delinquent Tax Collection Plan May Be Changed

School Board Considers Plan
Of Handling Own Delin-
quent Tax Collections

Possibilities of the New Castle School board handling its own delinquent tax collections are seen in the discussion Wednesday night of such a plan under the Acts of 1923 and 1937.

Director Roy W. Hazen and acting solicitor Charles H. Young reported to the board their recent trip to Erie, Pa., where they studied the set-up of delinquent tax collections there. The Erie board works under the acts mentioned and their collections have shown an increase.

At the present time all delinquent school taxes must be filed with the county commissioners and the collection of the taxes goes through the county treasurer's office. Because of the quadrupling change in the office of treasurer, the system has not always worked out satisfactorily.

If the board adopts the plan under which Erie works, it would employ a delinquent tax collector. Each year as school taxes became delinquent he would have them turned over to him instead of the county commissioners. He would have a collection office at some convenient place and would work through the year under the supervision of the board.

Nothing definite was done by the board Wednesday night, but at the next board meeting it is probable the matter will come up for a decision.

man or Wagner, which they have not got already.

A FINAL argument made by those who think the President will be wise to keep out of the State campaigns, including New York, is this: If he speaks and the ticket wins, the local candidates will not give him much credit. On the contrary, they will remain convinced that they could have won anyhow—and probably by a bigger majority. But, if he speaks and the Democrats lose, then the full blame will be put on him. It will be said that if he had kept out they might have pulled through. As noted above, it is a question of judgment, but the iron of the President to speak and his belief in his own strength with the people probably means at least one speech in New York.

Luther Winner Of Tri-State Pro Golf Tournament

(International News Service)

PITTSBURGH, Oct. 13.—For the second time in six years, lanky Ted Luther of the Churchill Valley Country club, today held the Tri-State Professional Golfers' association championship.

Playing the hazardous Oakmont Country club course, Luther eliminated tow-headed Tony Joy of Philadelphia, 2 up, in a terrific "give and take" match.

Joy outplayed the champ for 27 holes and then Luther hit the strategy with a "hot" putter, finishing the last nine in par 35.

Both golfers reached the final rounds after eliminating some of the finest golfers in the district. Luther beat such "big names" as Sam Parks, Jr., Ray Mangrum and Walter Johnstone, while Joy polished off Rader Jewett, Monty Onoreta and Dick Shoemaker.

Luther's aggregate score yesterday was 151 and Joy toured the layout in 153 strokes.

Board Grants Use Of School Property

Several requests came before the New Castle School Board Wednesday night. The Polish National Catholic church asked for and received permission to hold a concert in the auditorium of the Benjamin Franklin junior high school on Saturday, October 29.

The Saxon Athletic Club was again given permission to use the senior high school gymnasium for a series of basketball games this winter.

Sidney L. Lockley, city controller reported to the board that he had audited the books of the school district for the year and found them to be correct.

HOW 25 WOMEN LOST UGLY FAT In Special N. Y. Test

Ask Your Doctor If It Isn't
Good Way. Read EVERY Word

NEW YORK, N. Y.—In a test by a prominent N. Y. physician and nationally known newspaper writer—25 women lost a total of 235 lbs. in 40 days. YOU, too, can follow this SAME, SENSIBLE plan right at home, and here it is:

First of all, eat on fatty meats and sweets. Eat plenty of lean meats, fish, fowl, fresh fruits and vegetables. And for proper functioning—take a half teaspoonful of Kruschen Salts in hot water every morning. DON'T MISS A MORNING!

And this is important: It is not just one salt as some people ignorantly believe. Rather it's a blend of 6 active mineral salts (from a light on box) which when dissolved in water make a healthful mineral drink similar to famous European Spa waters where wealthy fat women have gone for years. A jar of Kruschen costs only a few cents and makes a gallon of a most highly efficient mineral drink.

So fat ladies—get some genuine! MAKE UP YOUR MIND! YOU'VE GOT TO IN THE above plan for 28 days—and just see if you don't lose fat and feel healthier and younger. (Note: You can get Kruschen at Ekerdt's Drug Stores and drugstores everywhere.)

The World AND THE Mud Puddles

(Continued From Page Four)

they told me the heat that day had been the most exhaustive heat that the oldest inhabitant of Nebraska could remember—105 degrees late in the afternoon and about 90 degrees of humidity. Fortunately, North Platte has an air-conditioned hotel and I spent the remainder of the day and evening until nightfall in that hotel and then drove on to Cheyenne, not desiring to experience another day in such heat. Nevada, however, while it contains the smallest number of citizens in any state—less than 100,000 population in the whole State, is a place that should receive the consideration of every citizen who desires to change his residence, who has some imagination and the ability to make use of some of the resources of Nevada. Nevada, of course, has been thought of by Americans as being only a mining State. There was a day when the Comstock Lode was being worked and when Virginia City, Nevada, was a more desirable place in which to live and work than San

Francisco and today Virginia City is a Ghost Town. It had at one time a population of 50,000 people and these citizens built Virginia City as though it were going to be a permanent city. They built the buildings of stone, brick and marble and today those buildings are still standing empty in the streets of Virginia City and there are not more than five hundred people living in Virginia City. Some citizens of this Nation should make use of that asset.

Nevada has never predicted the making of laws regulating the private conduct of the citizens. Some people might call the citizens of Nevada "wild and woolly" but they are not. There are probably more honest men per one hundred in the State of Nevada than there are in the State of New York per one hundred, but the citizens of Nevada have their own method of insisting upon decency and honesty. Of course card players and other of the garden variety of crooks are punished in the Nevada manner. Nevada today gives police to the world that it does not desire any moral reformers. The citizens of that State believe that they can take care of the morals of the community very satisfactorily. The principal advertisement of Nevada to the rest of the world is, "We don't tax except for the bare necessities of Government."

MAMMY CHANGES NEGRO'S DECISION TO JAIL BROTHER

DALLAS, Texas.—Leo Williams, secret service agent, has one less case to prosecute because of the persuasive powers of a negro mammy.

A young negro told Williams he didn't want to prosecute his brother for "swiping" his \$15 WPA check, after filing the charges and getting the brother jailed.

"What's the matter, boy, did you change your mind?" asked Williams.

"Nessuh," answered the erstwhile complaining witness, "Mah mammy changed it fo' me!"

Shirley Calls Up Doomed Youth And Offers Her Cheer

(International News Service)
CHICAGO, Oct. 13.—The telephone rang in a room at Mercy hospital.

"It's for you," said the nurse handing the receiver to Johnny English, 14, "a long distance call from Hollywood."

A girl's voice said: "Hello Johnny. This is Shirley." "Who?" said Johnny. "Me, Shirley Temple."

Johnny's mouth dropped open. Then he looked at the nurse suspiciously.

Really Is Shirley
"It's not a joke," she said. "It really is Shirley."

Johnny could hear the girl demanding imperatively: "Hello, hello there."

Johnny said, "Hello."

"I hear you've been in the hospital," said Shirley.

"Yeah," Johnny stuttered. "I've been here about eight days. I've been sick quite a while."

Suffers Relapse
Johnny has been very sick. The doctors said he would die a month ago and that only the Cubs drive for a pennant kept him alive. He was thrilled by a visit from two of the players on the team. He suffered a relapse when the Cubs lost the world series.

"Did you get my picture?" asked Shirley.

Johnny looked up to reassure himself it was still on the dresser. "You bet," he said.

There was an embarrassed pause. "I haven't had my dinner yet," said Shirley. "Have you had yours, Gee, I'm hungry."

Johnny didn't take the hint. "Yeah," he said. "I had my dinner. I had my X-ray too. I get X-rays every night. They're not bad."

There was another lapse in the conversation.

"I'm making a new movie," said Shirley tentatively.

"What's its name?" asked Johnny. "The Little Princess."

"Gee," said Johnny. "Hurry up and get well so you can see it," said Shirley.

"Yeah," said Johnny and they hung up.

The doctors say he never will see that picture of any other Johnny will be dead. He is afflicted with a rare and incurable form of cancer.

Dr. Garry Myers

"Child And Parent Relationships" Is Discussed By
Noted Author-Teacher

An appreciative audience of over 400 persons assembled in the auditorium of George Washington Junior High School Wednesday evening to hear a talk by Dr. Garry C. Myers, noted author and teacher of Cleveland, O.

This is the first in a series of interesting meetings planned this year by the education and Recreation Council of New Castle. Parent Teachers' Associations, and the Works Progress Administration and Recreation Division.

"Child and Parent Relationships" was the subject of the discourse by Dr. Myers. The speaker told how good citizenship is largely affected by child and parent relationships and also outlined the responsibility of parents in this matter.

Following the talk, an open forum was held, and many members of the large audience took part. Questions

and discussions were the order for a portion of the evening.

Special musical entertainment was furnished in the form of a vocal solo by Louis Nicol, accompanied by Arthur Weigle. Mrs. Leonard Cramer, president of the County P. T. A. presided in the absence of Dr. C. C. Green.

Announcements of the following interesting meetings in this series was made:

On Friday, October 14, in the Senior High school auditorium, Mary McLeod Bethune, director of N. Y. A. Colored groups will be guest speaker.

Dr. R. D. Rudisill, of Thiel College, will appear at the George Washington school auditorium, on Wednesday, October 19.

Dr. John Coleman, Geneva College, will talk on the subject "Shall America's Foreign Policy Be One of Isolation or Collective Security?" Dr. Coleman will be at the George Washington auditorium on October 27.

Pastor In Twelfth
Day Of His Fast

Warns Young People To Return To Worship Or Attend His Funeral

(International News Service)
PALMERTON, Pa., Oct. 13.—Jubilant over signs of coming success, the Rev. Lazar Kirichenko, pastor of St. George's Greek orthodox church today entered the 12th day of a self-imposed fast with a warning that young people of his parish "will return to worship or have an opportunity to attend my funeral."

"The younger generation has strayed away from God," declared the pastor who began his last October 2 with the avowed intention of winning back youthful members of his congregation.

So far he has lost 15 pounds on a diet of three cups of sweetened coffee daily. But although he is visibly weakened by lack of food, Father Kirichenko expresses determination to carry out his fasting 15 days or more if necessary.

"The children in my school already are more eager to hear and obey he said. 'I do not mind the fasting. After the third day I had no desire for food. My body may require sustenance, but not my spirit. Death would be a small sacrifice if it were to bring to the church the young people who must carry on after us.'

FLUSH KIDNEYS OF POISONS
AND STOP GETTING UP NIGHTS

Live a Healthier, Happier, Longer Life
Thousands of men and women wonder why backache bothers them when they have to visit the bathroom often at night—why there is scanty and sometimes painful urination. Any one of these symptoms means that your kidneys and bladder need attention now before these minor symptoms develop into serious trouble. To flush out waste poisons and acid from kidneys, soothe your irritated bladder and put healthy action into them, get a 4-cent package of GOLD MEDAL Harmonica Rascals and take as directed.

This harmless, tried and true medicine always works—you'll feel better in a few days, as the suremest effective diuretic and kidney stimulant drive excess acid from the body which is often the aggravation of joint aches, rheumatism and neuritis. But be sure and get GOLD MEDAL Harmonica Rascals—the original and genuine—right from Harmon in Holland. All good things are imported from Holland.

Library Business Is Steadily Increasing

Since the opening of the new library building some time ago, the circulation figures and number of new borrowers have been steadily on the increase, and more persons have found the reading rooms in the building excellent for reading and study.

In a report submitted recently to the board of trustees of the library by Miss Alice Sterling, it was learned that there has been an increase of 180 per cent in registrations for the period of September 1937 and September 1938.

Another comparison was in the daily average circulation figures. This figure has been increasing since the building was opened and according to figures for the daily average for August of this year was 595 and for September it was 795, showing quite an increase.

There has been an increase of 116 per cent in the reading room attendance since moving into the new building. Miss Sterling states, however, that she believes that this figure is low because of the fact that it is difficult to accurately count those in the building at all times.

In her report, Miss Sterling revealed that there was a gain of 55 per cent in circulation at the main library for September, as compared with that of September, 1937.

Books added to the library during September numbered 300. New borrowers recorded were 290, making the present total number of library members 12,587. Total circulation for the month at the main library was 19,876. Circulation of books from the five branches totaled 6,208 during September.

Levelling Ground Around Armory

W.P.A. employees are now working on the task of levelling off the ground surrounding the Captain Cunningham Armory, near Cascade Park.

The lawn on either side of the Armory main entrance has been laid out, and grass is coming along nicely.

In front of the lawn, an area of crushed stone base has been laid in preparation for the Amitee surface. The pillar electric lamps to set on either side of the main entrance, have not yet arrived. They will give the building an enhanced appearance.

Yesterday afternoon a number of persons were interested in the exercising of the cavalry horses by members of Troop K, National Guard, in the spacious riding hall. One of the exercises was obstacle jumping by the horses.

Say it with a Clear Skin

OUR SKIN frequently reflects how we feel. In business and social contacts we like our friends to tell us how well we look.

The lady now recognizes—as physicians and scientists have for years—the vital importance of rich, red blood, as the foundation of strength, energy, and a clear healthy skin.

For that tired-down feeling. It is well known how worry, overwork and undue strain take their toll of the precious red cells of the blood.

S.S.S. Tonic brings you new strength and vitality by restoring your blood to a healthy state, and its benefits are cumulative and enduring in the absence of an organic trouble.

Improves the appetite. Further, S.S.S. Tonic whets the appetite... foods taste better... natural digestive juices are stimulated, and finally, the food you eat is of more value... a very important step back to health.

Buy and use with complete confidence, and we believe you, like thousands of others, will be enthusiastic in your praise of S.S.S. Tonic for its part in making you feel like yourself again.

At all drug stores in two sizes. You will find the larger size more economical.

S.S.S. Tonic stimulates the appetite and helps change weak blood cells to strong ones.

Hold Operator's Tests Tuesday

Examination of prospective motor car drivers will be held by the State Police next Tuesday in Sampson street.

The tests will start at 10 a. m. and end promptly at 3 p. m.

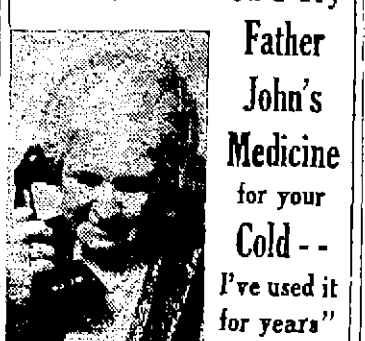

Applicants must possess the ownership card for the car, a learner's permit, and must be accompanied by a licensed operator, who must also have his operator's card.

Applicants are given visibility and color tests, then the auto to be used in the driving test, is examined for defects; after which the steering examination is given.

The motorist is quizzed as to his or her knowledge of the state motor laws.

Should a person fail three times he or she is refused a permit for a period of six months.

Rank And File Are Rebellious

Refuse To Approve Proposals Of A. F. Of L. Resolutions Committee

CONDEMNATION FOR NEW DEAL WITHHELD

By EDWARD B. LOCKETT
International News Service Staff
Correspondent

HOUSTON, Tex., Oct. 13.—Rank and file revolt against a dominant leadership seldom questioned in the past, today sliced raggedly through the American Federation of Labor annual convention.

This revolt made it unmistakably plain that the membership of the A. F. of L. approves hammering away at "objectionable" aspects of President Roosevelt's social and economic program, but wants no general condemnation of the New Deal.

This was evident from the decisive trouncing administered to the normally all-powerful resolutions committee.

The membership permitted the resolutions committee to put through the convention a report sizzling with criticism of Roosevelt social and labor laws individually. But it balked stubbornly when the committee brought in for adoption a final study asserting U. S. government

trends were sweeping America into socialism.

Intended To Cause Thinking.

Delegates popped up like firecrackers to lambast the "socialism" report. Matthew J. Wolf, committee chairman, and John P. Frey, secretary, defended their report as intended only to set people thinking and as conveying no direct criticism of the Roosevelt administration. It certainly set the delegates to thinking, but they didn't go for the argument that the report was no indictment of the New Deal. Twenty minutes of hot debate through a virtually unanimous vote of pigeon-holing the report through reference to the executive council.

President William Green joined the rank and file to protest the resolutions committee final report, but stood with the conservative leadership majority on several other issues over which the revolvers were aroused. These issues involved chiefly, the bitter and adamant stand of the leadership against any A. F. of L. moves to reopen peace negotiations with John L. Lewis' CIO, and numerous references to business and industry which some delegates interpreted as friendly.

The fight over the "socialism" report, released pressure apparent in material proportions among the membership below policy-forming ranks, and because of the unexpected set-back handed the powerful resolutions committee was expected to encourage additional airing of rank and file complaints.

Was Just As Tired in A.M. As When She Went to Bed

This young matron suffered from indigestion, gas in stomach, sourness, dizziness and was bilious, due to constipation. Declares Vendol made her feel like a new person.

According to the statement of Mrs. Audis Cochran, attractive young matron, Vendol relieved many troubles that have kept her feeling badly for some time. Read what she says and take her advice:

"Vendol gave such a thorough cleansing and invigorating action that I feel like a different person from what I did a few weeks ago. I would get up in the morning feeling as tired as when I went to bed. My tongue was coated, had bad taste in my mouth, head ached and every time I stooped over I'd get dizzy and everything seemed to spin around. I suffered from sour stomach, gas, cramps and a full, heavy feeling after meals. I'm sure all of my troubles came from constipation, which annoyed me a long time.

"I had tried various remedies without much success but one day I read about a woman here in town suffering as I did who said Vendol did her world of good, so I decided to try it. I'm happy I did, because it gave prompt relief from my constipation then all my troubles were relieved. I can

MRS. AUDIS COCHRAN

now eat what I like without fear of indigestion, and I'm never bothered with those bilious spells or headaches any more. I sleep sound and wake up in the morning feeling rested and refreshed. I feel better in every way since taking Vendol and only wish I had found it sooner. I advise everyone to take Vendol. It is fine."

If you need a good, safe, reliable medicine, get Vendol without delay from your nearest druggist. It is highly recommended here by New Castle Drug, Eckerd's and People's.

Subway Project For Chicago Is Now Certainty

Ickes Recommends Approval Of
\$18,000,000 Grant Of
WPA Funds For Subway

(International News Service)
WASHINGTON, Oct. 13.—A \$18,000,000 subway for Chicago—a project even more ambitious than the second city of the nation had contemplated and the realization of an old dream—became a certainty today.

PWA Administrator Harold L. Ickes, a Chicagoan himself, recommended to President Roosevelt that he approve a PWA grant of \$18,000,000 toward construction of the underground system. The balance of the funds will be raised through financing by the city.

The final O. K. by Mr. Roosevelt is expected within the next 24 hours. The plan accepted by Administrator Ickes was the second of two programs which had been under consideration. The first, proposed by the city, would have cost \$32,000,000. The second was drafted at the direction of the PWA and was considered the more far-sighted of the two.

Thus the No. 2 plan was approved by Ickes and will form the nucleus for a rapid transit system for Chicago which will eventually reach out from the congested loop and adjacent areas to all parts of the metropolis.

Deputy Sheriff Clyde Badger announced that Thursday of this week is the last day for filing executions on properties to be foreclosed in November.

The case of Adolph Lang against the Universal Sales company, which was scheduled for trial at the present term of court, has been settled. The case was one growing out of damages to an automobile which was struck while standing on South Mill street.

Settlement is reported in the case of Adolph Labowitz against Elizabeth Krauth, which was to have been tried this week in court. The parties reside in Ellwood City and had a controversy over the entrance to a property on Wayne avenue. Certain rights are assured to plaintiff by the settlement.

Lawrence county commissioners have been doing good work in cutting down indebtedness on bond issues since they assumed office. Among the bonds paid off and retired are the following: highway bonds of 1921, \$25,000; 1919 highway and bridge bonds, \$124,000; series 1919 improvement bonds, \$35,000; series B 1922 highway and bridge bonds, \$38,000; leaving outstanding on this issue \$369,000; 1925 road bonds, \$50,000, paid, leaving \$91,000 outstanding. Lawrence county now has the lowest tax millage on the general fund since 1916, the rate being five mills general and three mills poor. With the county treasury in such good shape, a continuation of the low rate is in prospect.

Some big real estate sales are scheduled for this week when Attorney Orville Brown, master in the Boyles estate, offers properties at

public auction. The principal properties to be sold on next Friday are the Boyles homestead, adjoining the courthouse property; business block on Washington street occupied by Perelman and Goldman stores; business block occupied by the Woolworth store and the business block on East Washington street occupied by Dufford and the Andrews sporting goods stores. There are also some smaller properties scattered over the city to be sold. On next Tuesday out-of-town properties will be sold. Offering of the business blocks on Washington street will be interesting as indicating what bidders are willing to pay for Washington street properties.

Petition for a writ of habeas corpus has been presented to court by Joseph E. Richey, who claims that his wife, Hazel Richey, has left him and taken with her their 16-month-old child. She is now staying at the home of her father, Thomas Book, on Martin street, who is also named as a defendant in the action. It is claimed by Richey that he has been denied the privilege of seeing his child, except for brief intervals, and in the presence of others. He wants possession of the child. Judge Thomas W. Dickey has fixed Saturday, Oct. 15th, as a date for hearing the case.

Dream Highway Near Realization

Financial Details For Construction Of Super-Highway Are Completed

(International News Service)
HARRISBURG, Oct. 13.—Pennsylvania's "dream" highway between Harrisburg and Pittsburgh moved a step nearer realization today as Walter A. Jones, chairman of the Pennsylvania Turnpike commission, announced completion of financial details for construction of the proposed super-highway.

Jones said that a total of \$61,000,000 is now available to the commission and that construction will begin as soon as possible. The commission signed a trust deed and all resolutions presented to it by the RFC and the PWA releasing and regulating expenditure of the \$61,000,000—\$35,000,000 from the RFC and \$26,000,000 from the PWA.

Jones said the first call on the funds will be for \$16,000,000 of which \$10,000,000 will come from the RFC and the other \$6,000,000 from the PWA. The commission will draw on the remainder of funds available as needed, paying interest on the amounts actually drawn, Jones stated.

This Wife Really Did Have Kick

Late Dr. John Miller Masury
Liked To Give His Secretary
\$1,000 Bills And Bonds

(International News Service)
LOS ANGELES, Oct. 13.—The late Dr. John Miller Masury's idea of a pleasant little game with his private secretary, Mrs. Dianne Matthews, was to plant "follow the hounds" notes all over his house, with \$1,000 bonds as prizes.

Such was the testimony which had been placed on record today in the former secretary's suit to return possession of \$30,000 worth of "love gifts" which she claims the doctor gave her.

Members of the doctor's family are contesting the suit, but Mrs. Matthews claimed Dr. Masury was aware of the fact that his family might "cause her future trouble."

With rhymes and with poetry, Dr. Masury directed his secretary to find the various gifts. One one occasion, Mrs. Matthews testified, four notes written by the doctor led to a little black bag which held three \$1,000 bonds.

On another occasion he gave her six \$1,000 bonds "to secure your future better."

For Christmas, 1929, he wrote: "Dearest: There is another little remembrance for you. Look on page 136, col. 3, of 'Mysteries of Paris.' With love, J."

There was another bond in the book, Mrs. Matthews testified.

A Statement of Public Policy by The Great Atlantic & Pacific Tea Company

The Honorable Wright Patman, representative in Congress of the first district of Texas, has announced that he will introduce in the next Congress a punitive and discriminatory tax bill frankly designed to put chain stores out of business. In the past, Mr. Patman has been very successful in securing enactment of legislation which he has sponsored. He has demonstrated that he is a very able lobbyist and propagandist for his own bills. The management of The Great Atlantic & Pacific Tea Company is therefore faced with the necessity of deciding upon a course of action in relation to this proposed legislation—whether to do nothing and risk the possibility of the passage of the bill and the resulting forced dissolution of this business, or to engage in an active campaign in opposition to the bill.

In arriving at a decision, the interests of several groups of people deserve consideration—the management, the 85,600 employees of the company, the consuming public, the millions of farmers producing the country's food, and labor.

1. The Interests of the Management

The interests of the management can be dismissed as of very little importance.

The Great Atlantic & Pacific Tea Company is managed by George L. Hartford and John A. Hartford under an arrangement made by their father, George Huntington Hartford, the founder of the business. George L. Hartford has been actively engaged in the grocery business for 58 years, working generally six days a week, 52 weeks a year during that entire period. John A. Hartford has been actively engaged in the grocery business for 50 years, working generally six days a week, 52 weeks a year during that period. Both of these men could, of course, retire without personal or financial inconvenience and live very comfortably if chain stores were put out of business. The record of the last calendar year shows that out of any money earned annually from the business, in the case of George L. Hartford, 82 percent is paid to government in taxes; in the case of John A. Hartford, 83 percent is paid to government in taxes. As neither of the brothers has any children, any monies left out of their earnings would accrue to their estates, and in the event of their death, inheritance taxes would probably amount to two-thirds of such accrued earnings, leaving approximately 6 cents on the dollar as a motive for continued personal service.

It is therefore apparent that the interests of management need hardly be taken into consideration in arriving at a decision.

2. The Interests of the Employees

The interests of the employees of the company are, however, a matter of very grave concern.

It is simply a statement of fact to say that the employees of The Great Atlantic & Pacific Tea Company generally throughout the United States receive the highest wages and have the shortest working hours of any workers in the grocery business, whether chain store or individual grocer. Many of them have devoted all of their working lives to the interests of the company.

The management, therefore, has a definite obligation and duty to defend the interests of these 85,600 employees against legislation intended to throw all of them out of work.

3. The Interests of the Consumer

Since this business has been built by the voluntary patronage of millions of American families, we believe that we must give consideration to their interests in this matter. Millions of women know how acute is the present problem of providing food, clothing and shelter for themselves, their husbands and their children out of their present income. When food prices go up it is not a question of paying more for the same food. They do not have the additional money with which to pay. Therefore, they must buy less and eat less. A & P Food Stores last year distributed at retail \$881,700,000 worth of food at a net profit of 1%.

This food was sold to the public at prices averaging from eight to ten percent lower than the prices of the average individual grocer. Literally, millions of sales were made at prices twenty-five percent lower than those of the average individual grocer. This saving of eight to twenty-five cents on each dollar is of vital importance to these millions of families. If they were denied the opportunity to buy at these lower prices it would simply mean that in millions of homes they would have to leave meat off the table another day a week, eat less fresh fruits and vegetables, give the growing child one bottle of milk less every week or stint on butter, cheese, poultry, eggs and many other of the most nourishing foods.

In the last 10 years during the greatest period of chain store growth, the number of individual dealers has increased rather than decreased. We maintain that there is nothing wrong when these dealers charge more than we charge. They must charge these prices in order to make a fair profit. The average grocer will, upon request, deliver the groceries to the customer's door and in many cases extends credit to some of his customers. Delivery service costs money. The grocer must put this added cost in the prices to his customers. In the same way the extension of credit involves the expense of bookkeeping, the tying up of capital, and credit losses. There is nothing wrong in the higher mark up of the individual grocer, because he is rendering a service that justifies his prices.

If some customers can afford and voluntarily elect to pay a higher price for groceries and meats because they want credit or because they want delivery to their homes it is quite proper that they should pay an additional price for such service. However, the millions of families in this country whose income is limited and who can have more and better food because they are willing to pay cash and carry home their own purchases, should not be denied this opportunity. Millions of families of limited incomes can only enjoy their present standard of living through these economies and savings. These millions of American families have helped us build a great business because they believe we have rendered them a great service. The company, therefore, has an obligation and a duty to protect the interests of these customers.

4. The Interests of the Farmer

Eight million farm families are engaged in producing the food consumed by the American people. All of the farm homes in America, therefore, comprising one-fourth of all of the population of the United States, have a direct interest in the methods of distribution by which the products of their labor and of the soil are marketed.

Approximately 30% of their production is marketed through the chain food stores; about 70% through individual grocers. Their fruits, vegetables and other foodstuffs are sold through the chain stores at prices averaging 8% to 10% cheaper than the prices at which they are sold by many grocers. If the farmer sells a given product to both at the same price, the individual grocer must charge the public more to take care of his higher costs. Thus 30% of the farmer's products reach the public at low prices and 70% of his products reach the public at higher prices.

If the public cannot consume a given crop of apples, potatoes, berries or any other product, at the prices at which they are offered, these goods do not move from the grocer's shelves; a surplus accumulates and the farmer finds that he either cannot sell the balance of his crop or must sell it at a substantial loss. Only too often a situation arises when it is literally cheaper for the farmer to let his apples or his peaches rot on the ground than to expend the labor costs necessary to pack and ship them. Every farm economist knows that a 10% surplus does not mean 10% less return to the farmer but often more than 20% less return.

In other words, the farmer's problem is to sell his products at the cost of production plus a fair profit and to get them to the public with as few intermediate costs and profits as possible. It is therefore obviously unfair to the farmer to propose legislation which would, at a single blow, wipe out 30% of his distributing machinery—and that 30% the part which maintains the price to the farmer yet reaches the public at low cost because of economical distribution. It would be just as unfair to the farmer to propose putting out of business all of the individual grocers of the country who distribute 70% of his produce. Both chain food stores and individual grocers perform a distributive function vital to the interests of the farmer. If either failed to function the farmer would be faced with tremendous surpluses and heartbreaking losses.

For years the A & P has dealt with the farmers both as producers and consumers. We feel that we have a definite obligation and duty to oppose any legislative attack upon their best interests.

5. The Interests of Labor

Every business in this country has a vital interest in the purchasing power of labor. When labor has high wages and great purchasing power, everyone is prosperous. When labor's purchasing power is curtailed, all business suffers and the American standard of living is impaired. For many years it has been the wise policy of the national government to protect real wages and the purchasing power of the worker's dollar. Combinations or agreements to raise prices, thus reducing real wages, have been declared illegal.

It certainly seems strange that it should now be proposed to destroy a group of businesses for the frankly admitted reason that they furnish the necessities of life to the wage earner and his family at low prices. There are approximately 900,000 workers directly employed in the chain store industry. What course is open to us but to oppose the action of a man who, at a time when more than 11,000,000 wage earners are already out of work and 3,000,000 families on relief, proposes a bill that would add almost another million to the roll of unemployed, wipe out 30% of the distributing machinery of all of the farmers of the United States, and raise the cost of living of the wage earners of the United States.

We believe that our organization has rendered a great service to the American people and that it is as a result of that service that we have prospered. If we consulted our own interest it would be very easy to stop and enjoy whatever leisure we have earned. No one is dependent upon us except our fellow workers. However, after the fullest consideration of all interests, we have arrived at the decision that we would be doing less than our full duty if we failed to oppose, by every fair means, legislation proposed by the Honorable Wright Patman.

As we have said, Mr. Patman is an able politician, an able lobbyist and an able propagandist. In that field he is an expert. We are experts only in the grocery business. We believe the chain stores have a right to present their case to the American people. We will not go into politics, nor will we establish a lobby in Washington for the purpose of attempting to influence the vote of any member of the Congress. We expect only a full and fair opportunity to present the case for the chain stores as a great service organization for the American people.

Since the task we have set before us is one involving the widest dissemination of complete information to all of the American people, and since this is a profession in which we are not expert, we have engaged Carl Byoir & Associates, public relations counsel, to do this work. We realize that our views are seldom news. We know, therefore, that we must be prepared to spend a substantial sum of money in telling our story to all of the American people. We declare now that this money will be spent in the dissemination of information through paid advertising and every medium available to us, and in cooperating in the work or formation of study groups among consumers, farmers and workers, which provide open forums for a discussion of all measures affecting the cost of living.

We believe that when the American people have all of the facts they will make their decision known to their representatives in Congress. As Americans we will be content with that decision.

Mice In World's Tallest School Building Help Bring Better Health To District

PITTSBURGH, Oct. 13.—Mice in the University of Pittsburgh's "Cathedral of Learning," world's tallest educational building, are helping bring better health and longer life to man.

The rodent life-savers in the better-health-to-man campaign are members of a mouse colony in the university's department of biology.

They are a select group of mice, too. An alley mouse without a pedigree would never be admitted. These aristocratic mice are albinos. By inbreeding, a uniform stock has been obtained which is essential for scientific observation.

There are between 600 and 650 albino mice in the colony. A thousand baby mice are raised each year.

Already used for innumerable scientific studies, some of these mice will be "test tubes" in experiments to throw more light on the way in which iodine affects health through the thyroid gland.

It is accepted by science today that a deficiency of iodine in water and vegetables causes goiter. The

less iodine in drinking water in a particular region, the greater will be the number of cases of goiter.

Mice are important in this study because the thyroids of mice and men are similar in structure and function. Whatever discoveries are made in the study of the mouse's thyroid will naturally be of value to human beings.

Pitt professors and graduate students are checking reactions to iodine in the thyroid of mice and are also studying the effects of heat, cold and deficient diet on the gland which so easily upsets bodily health and nervous equilibrium when it fails to function normally.

Little is known about the thyroid gland, Pitt biologists claim, although the gland has been the subject of study by medical men for more than 35 years. Research work in the structure of the gland itself must be done before any great advance can be made in preventing thyroid ailments. In this study the Cathedral of Learning mice will play an important part.

Dr. Heaton Plans Special Address On World Events

Significant world events in the light of Biblical prophecy will be the theme of a special address by the pastor, Rev. C. H. Heaton, D. D., of the First Baptist church, on Sunday evening.

The phenomenal success of the great dictators of Europe—Mussolini's progress in the establishment of a new Roman Empire, and Hitler's diplomatic conquests in Austria and Czechoslovakia—the aims and purposes of the grand mufti of the old Ottoman Empire, and the most recent persecutions of the Jews are to be treated as fulfillments of the predictions of the scriptures, according to Dr. Heaton. That all

these events point to a world crisis, soon to occur, is the pastor's contention. And, he says, that crisis ought not to take any student of the Bible by surprise, or unprepared.

One of the wisest men I know is a button-maker, with a dingy, old-fashioned office on the lower West Side of New York—letter press, roll-top desk, old Carrara marble fireplace, etc. He is an elderly gentleman, the third of his generation in button-making. He doesn't like publicity, so I withhold his name.

He is like your kindly old uncle, who always had something exciting when you were a youngster, and he let you rummage in his pockets. But his treasures are ideas, usually neatly packaged, always interesting, and frequently new.

The effect of the fall of Czechoslovakia on the button business started him off. He always starts from the center of his universe and works it out, sometimes clear beyond the Milky Way. He disposed of buttons quickly and definitely, and then, in stages which will not be reported here, swung into the world issue of the battle of the free state against the slave state.

"It is entirely possible," he said, "that the free state will be overwhelmed by the slave state. The steady advance of the latter indicates, in my opinion, the start of a new Armageddon in human society. I have no patience with anyone who thinks he knows how it will all come out. We just don't know enough to be entitled to any cocksure opinions. We might know

Workers Of Area 14 To Meet October 22

Plan To Reclassify W. P. A. Workers From Four County District

For the purpose of reclassifying WPA workers in Area 14, composed of Lawrence, Butler, Beaver and Mercer counties, a meeting is planned for October 22 in Clendinning hall. The meeting will start at ten in the morning and continue through the day with the evening meeting scheduled for the court house at 7:30 o'clock.

Various conferences will feature the day dealing with such phases of WPA employment as wages and hours, relief problems, housing problems, and the possibility of getting

WPA workers here classed at the rate paid in larger districts.

Mayor Charles E. McGrath will be the opening speaker, and other speakers will include Ralph Audino, president of the New Castle Trades and Labor Assembly; John H. Griggs, president of Lawrence County Industrial Council; Congressman Charles R. Eckert; Walker N. Todd, director of WPA, and Ralph Brown, finance director for the WPA.

The evening meeting in the court house will see O. B. Allen of Pittsburgh, president of the United Project Workers; John H. Griggs, and Dr. J. B. Hovde of Pittsburgh as speakers.

Fire Under Control After Causing Million Dollar Loss

Huge Quantity Of Oil Is Burned

New Jersey Gas And Oil
Reservation Scene Of
Disastrous Fire

CAUSE OF BLAZE
NOT DETERMINED

(Associated Press Service)
LINDEN, N. J., Oct. 13.—Fire which for hours threatened to destroy vast gasoline and oil reservations near Linden was brought under control today after damage conservatively estimated at more than a million dollars had been inflicted on property of the Cities Service Company.

Flames which consumed nearly 10,000,000 gallons of oil and gasoline in more than 20 of the firm's 175 storage tanks have been extinguished in all except one tank. The all-night labor of fire-fighters were crowned with success when it looked as though the roaring flames would resist water and chemical and the fire continue until the week end.

Cause Unknown
Although definite cause of the disastrous fire was not known, it was believed to have resulted from the explosion of a tank of high-powered gasoline. Subsequent blasts ripped apart the giant metal storage tanks, releasing a flood of oil and gasoline that soon became a river of flames.

The heroic, unrelenting work of fire-fighters prevented the flames from spreading to the valuable adjoining properties of the Sinclair and Standard Oil companies and the American Cyanamid company, manufacturers of chemicals.

Dikes Are Built
Unable to bring the blaze under control, workmen hastily built dikes and dug ditches to provide barriers so that the flames would not ignite other Cities Service tanks or those on the adjacent reservations.

A loading shed on the Sinclair property went up in flames but that concern's main tanks, although threatened, were not touched.

Unless winds become strong and again fan the flames to greater fury, officials believe the fear of more explosions and spread of the conflagration is over for the present at least.

No deaths were recorded but four persons were injured or treated for burns.

All yesterday afternoon and last night firemen from surrounding communities toiled to check the fire. Pillars of flame shot 500 feet into the air while clouds of dense, greasy smoke obscured the sky.

EXECUTIVE BOARD MEETING
The executive board of the American Legion Ladies Auxiliary, Unit No. 638, will hold a meeting Monday evening, October 17, at the home of the unit president, Mrs. Edwin Ball, at which time a program for the new auxiliary year will be discussed. Newly elected chairladies for the ensuing year are as follows: Americanism, Edna Masson; Rehabilitation, Elsie Davis and Nettie Weitz; Child Welfare, Mona Reed; Junior Auxiliary, Ada Scott; Poppy, Beth Martin; National Defense, Belle Kerr; Scrap Book, Sarah Belle Gibson; Publicity, Mae Pitts and Gertrude Kelly; Finance, Sarah McCord; Activities, Ida Anderson, Wilda Heard and Laura Seltzer.

AUXILIARY MEETING
The Ladies Auxiliary of the Earl J. Watt Post American Legion Unit No. 638 held their meeting Monday evening in the Legion Home, with thirty-five members in attendance. The unit president, Edna Masson, gave a very good report of her past year's work with the organization, which was followed by other interesting reports of various committees. Ruth Bradley, with appropriate remarks, presented Mrs. Masson with a scrap book, containing accounts of the various unit activities during the past year. A handkerchief show was also given the retiring president, presentation being made by Maude Carr. Three new members were then initiated: Mrs. Ackers, Mrs. Gwin and Mary Olive Masson. Mrs. Carrie Stein, western director of Meadville, Pa., installed the following officers for the ensuing year: president, Anna Ball; first vice president, Wilda Heard; second vice president, Mona Reed; secretary, Helen Kanny; treasurer, Ethel Benson; Chaplain, Bertha Ackers; sergeant at arms, Elma Warner. Mrs. Masson, in behalf of the unit presented lovely gifts to Mrs. Stein, Mrs. Horner, Mrs. Berstler and Mrs. Dennison.

Later, a delicious lunch was served by the committee, Edna Masson, Helen Kanny, Anna Ball, Bertha Ackers, Rachael Cracraft, Mona Reed and Sarah Bell Gibson, to unit and past members, numbering about 50.

Special out-of-town guests attending the above meeting were: Mrs. Carrie Stein, western director, and Mrs. Cozy of Meadville; Mrs. Sydney Berstler, Mrs. Wayne Baird, Mrs. Greenham of Ellwood City, Mrs. C. V. Horner, past department president; Mrs. A. B. Dennison, Mrs. Deidenderfer, unit president, all of Greenville.

The next meeting of the auxiliary will be held Monday evening, October 24, in Legion Home, with Ethel Benson, Rose Reynolds and Elma Warner on the social committee.

ATTEND CONFERENCE
Anna Ball, Helen Kanny, Sarah McCord and Maude Carr, attended the president-secretary conference of the American Legion Auxiliary, held Friday at Harrisburg, Pa.

Wednesday

A class of candidates, to be known as the Martha Sterling class, was initiated at the open meeting held by the Women of the Moose at Moose Temple, South Mercer street, on Tuesday evening. The class was named in honor of Mrs. Martha Sterling of Erie, second grand dean of the Academy of Friendship. Mrs. Sterling was an official visitor to the chapter Tuesday evening at which time she spoke on "Carrying Mooseheart Standards Into the Homes".

Other speakers of the evening were A. G. Harbert, dictator of the Local Order of Moose, lodge 51, and Edwin O. Reiney, secretary of the Local Order of Moose, lodge 51.

Mrs. Maude Harbert, senior regent, in behalf of the chapter, presented Mrs. Sterling with a lovely gift and shoulder corsage. In the absence of Mrs. Mary Ray, past senior regent, her station was ably filled by Mrs. Esther Tray, a past senior regent of Butler chapter, who was also presented with a gift and corsage.

To climax this social affair, a delectable lunch was served. The next meeting of this group will be held on October 21.

Girl Who Fainted Is Now Bride Of Hughes Companion

(International News Service)
 NEW YORK, Oct. 13.—The girl who fainted while awaiting the return of Howard Hughes' globe-girdling plane last summer was a bride Wednesday.
 And the happy husband of Elmore Hoagland was Edward Lund, Hughes' engineer on the record-breaking flight. Although Lund denied when he returned with Hughes that he was engaged to Miss Hoagland, he married her at Elkton, Md., last Saturday.

Find Out What Makes You Constipated!

You know that constipation often gives you that dopey, sunken, bogged down feeling. Why not get at the cause and prevent it? If you eat what millions do—things like bread, meat and potatoes—the chances are all that the matter with you is you don't eat enough "bulk." And "bulk" doesn't mean what you think. It's a kind of food that isn't entirely digested, but leaves a soft bulky mass in the intestines that aids elimination.

If this is your trouble, what you need is crisp crunchy Kellogg's All-Bran for breakfast. It contains both "bulk" and Nature's great intestinal tonic, vitamin B₁. And it's not a drug, not a medicine!

Eat All-Bran every day, drink plenty of water, and see if the old world doesn't look a lot brighter!

All-Bran is made by Kellogg's in Battle Creek. Sold by every grocer.

Claudette Gives Advice To Ladies

"Don't Flirt" Is Terse Admonition By Vivacious Screen Actress, To The Girls

By MILTON HARKER (International News Service)

HOLLYWOOD, Oct. 13—Claudette Colbert, who has just completed her most flirtatious role, highlighted by much leg showing in dancing the "can-can," put on her most grandmotherly air today to give a bit of philosophical advice to the ladies.

"Summed up very briefly it's this—'don't flirt.'"

"It's not that I'm talking as a woman who has a husband and she doesn't want to lose," Claudette explained. "I'm talking as a girl who, if she had a younger sister, would advise her not to play the coquette with a lot of boys. It doesn't get you a thing."

"The reason is obvious—a man you can win by flirting with him can easily be won by somebody else using the same technique. And he'll pay you in heartaches and indifference for the few moments of excitement and pleasure it gave you to win him away from someone else."

"All of this may sound pretty dull to the girl bent on acquiring the at-

ENTERTAIN AT DINNER

Misses Evelyn Grell and Esther Etzrodt entertained at an attractive dinner recently in honor of their mother, Mrs. Ernest Etzrodt, celebrating her birthday anniversary. A beautiful birthday cake and many lovely gifts were presented to the honor guest.

Guests present from Pittsburgh were Mr. and Mrs. Philip Gauster and son, Philip, Jr., Mrs. Kate Gauster and Mr. and Mrs. L. J. Holden and sons, Leo and Francis.

HOME-COMING

Home-coming was observed in the Presbyterian church on Sunday. A great many people came back to the home church to spend the day together.

Rev. Luther MacDonald, the pastor, had charge of the morning service. A solo was rendered by Mrs. J. F. Myers, with Mrs. MacDonald accompanying. Music was furnished by the choir. A group of girls, Misses Edna Jane Nottingham, Jeanne McClennahan, Pauline Williams, Betty Lea and Yvonne Nottingham and Helen McClennahan, sang several numbers.

At noon a picnic dinner was enjoyed. In the afternoon Mrs. W. Reid of the New York Jewish society gave a talk. Baptismal service was held, with Dr. S. A. Kirk-

HELP KIDNEYS PASS 3 LBS. A DAY

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. Now, people pass about 3 pints a day or about 3 pounds of waste. Frequent or scanty passages with smarting, burning, aches there may be something wrong with your kidneys or bladder.

An excess of acids or poisons in your blood, the kidneys, lose of pep and energy, get the eyes, headache and dizziness.

Don't wait! Ask your druggist for Donal's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisons from your blood. Get Donal's Pills.

FAREWELL PARTY

Mr. and Mrs. Robert Stowe entertained at an attractive farewell party at their home on Friday evening in honor of their daughter, Shirley Mae Stowe, and sister and husband, Mr. and Mrs. Floyd Ryhal, of Tampa, Fla. The affair was planned as a surprise on the honor guests, who were presented with many lovely gifts. A delicious dinner was enjoyed.

Guests were present from Youngstown, Sharon and New Castle. On Saturday morning, Mr. and Mrs. Ryhal, accompanied by their niece, Shirley Mae Stowe, left by automobile for Florida, where Miss Stowe will spend the winter.

Schoolboy Teams Are Hard At Work

Two Undefeated Elevens Will Clash At Taggart Stadium On Friday Night

Game Starts At 8 O'Clock, Har-Brack Backfield Is Highly Touted

Two undefeated and untied High School football teams are ending their week's training today and Friday night will battle it out at Taggart Stadium under the lights. New Castle High's "Red Hurricane" and Har-Brack's "Thunderbolts" are the two teams in mention. The kickoff will occur at 8 o'clock.

In event of good weather the kickoff will no doubt find another 9,000 crowd in the stands. Faculty Manager Norman Nelson has sent 700 tickets to Har-Brack and they have asked for more. It would indicate that about 1,000 from Harrington Township and Brackenridge will follow the "Thunderbolts" here.

End Training Tonight Coach Phil Bridenbaugh will take his last look at the boys in training, under the lights at the stadium tonight. All of the rough edges have been removed. Plans have been carefully laid to upset the Har-Brack apple-wagon. Assistant Coach Bill Klee can't say enough nice things about the Har-Brack backfield and line. He says that by far this

Mahoning Team Is Crippled For Important Game

Coach Austin Cowmeadow Will Start Crippled Line-up Against Powerful Washington

GAME FRIDAY IS FIRST FOR TITLE

Mahoning Junior High will enter the important battle with the powerful George Washington High team at the E. & A. field Friday afternoon badly crippled up. No less than five of the Mahoning boys are laid up by injuries. The game will start at 3:30 o'clock.

Washington Favored This will be the first of the annual series for the junior championship of the city and the North Hillers are the top heavy favorites. Coach Art Alexander has been drilling the North Hill team hard this week in preparation for the game. He has a well balanced team and one of the heaviest that he has had for many years. Washington may have too much weight for the Rail-rollers.

The North Hill team is still smarting under the two reverses handed them by the Cowmeadowmen in the past two years and will fight hard to chase the jinx and may do it tomorrow.

Coach Cowmeadow will have to start a badly patched up lineup owing to the big injury list that includes "Red" Nickum, Lambiasi, Orlando, Isaac and Fliskovitz.

Depends On Izzo Twins The brunt of the Mahoning attack will center around the Izzo twins, Ben and "Slammer." The Washington attack centers around "General" Lee and Biddle. Washington has won two important games this year—the Shenango reserves and Sharpsville Junior High. The Mahonings have beaten Campbell Memorial Junior High and Ellwood City Junior High in two starts this year.

The average weight of the Mahoning team will be around the 136 mark, with Washington's weight around the 145-pound mark. The two heaviest boys on the Mahoning team are Bobbie Stewart and Leonard. The heaviest on the Washington team are Masters, 180; Holinger, 160; and Biddle, 160. Stewart and Lombardo each go 150.

will be the best team that New Castle has faced this year. It will take a lot of really good footballing to defeat the visitors.

One thing in New Castle's favor and that is the fact that no players are seriously injured, and the entire squad, to a man, is ready and willing to get out there tomorrow night and give all that he has to keep the New Castle state undefeated.

Real Class AA Battle It will be the third Class AA battle for New Castle and the second for Har-Brack. It is believed New Castle has scored 40 points to 13 for

the opposition in four games to date. Har-Brack's scoring record is 144 points to 19 for the opposition, or something close to 30 points per game for the five that they have played.

New Castle will have to watch these two slippery halfbacks Marshall and Campbell, as they are rated with the best and have been his scorers and ground-gainers all year. Teddy Buckowski, the captain of the team and quarterback is also the punter and according to Klee he really nets off some marvelous boots.

May Change Lineup Har-Brack has an eye peeled on the Class AA crown this year and they will fight hard to keep their state clean. So will the men of Bridenbaugh show a lot of fight. It looks as one of the best games of the year, here.

Bridenbaugh has not as yet announced his starting lineup, and it may be different than last week's starting lineup at Washington. Wilbur Phillips and Eddie Sowinski have mended sufficiently to be back in the lineup and they may force Kulis to go back to a tackle job and Roberts to the bench. Eric Makihill will also be held in reserve if Kulis is jerked off of left end.

Last year New Castle won from Har-Brack here 12 to 0, and the invaders are coming here bent on avenging that setback.

Barron Gottfried Will Be Released From Nazi Prison

Former Noted German Tennis Star Has Served Six Months On Immorality Charge

(International News Service) BERLIN, Oct. 13.—The ministry of Justice announced Wednesday that Baron Gottfried Von Cramm, former German tennis ace who was imprisoned on charges of immorality, will be released on parole Oct. 15 on condition of good behavior in the future.

It was stated he also will pay an unliquidated sum to compensate for his premature release.

In accordance with German penal procedure, Von Cramm's release followed his appeal for clemency. His mother also appealed to Chancellor Hitler in his behalf.

So far Von Cramm has served six months in Moabit prison.

WABASH BEARS

HARD AT WORK The Wabash Bears football team is hard at work this week under the watchful eye of Coaches Willie Domenick and Skip Russo, getting ready to meet the first Ryanstown team in a city league game at E. & A. field on this coming Sunday afternoon.

The Bears won from the Keys in the first game of the league season and hope to upset Ryanstown. The Bears are the defending champs of the city league, having taken the championship the past two years.

Har-Brack's Captain

TEDDY BUCKOWSKI (Capt.)

Above is pictured Teddy Buckowski, leader of the Har-Brack undefeated eleven that faces New Castle High "Red Hurricane" in Taggart stadium Friday night. Buckowski is a veteran on the team and handles the quarterback job. He is highly rated in Class AA W. P. I. A. A. circles, and a very valuable man to his team. From the looks of the picture he must be some punter.

Rambling Around World Of Sports

A memorable day... Tuesday, October 11, is a memorable day in the life of George Chip... On that same date, back in 1913, Harrington, George scored one of the major sports upset of the decade, winning the middleweight title of the world by knocking out Frank Klaus, a feat that even redoubtable Stanley Keenell and the renowned Billy Papke failed to accomplish.

The title battle... Let's turn back the pages of history to October 11, 1913, the battle scene, Old City Hall, Pittsburgh, and have Chip tell his own story. "For two rounds, Klaus peppered me continuously with his snake-like left. In the third, with head down and feet spread out, I blasted away at Klaus' stomach. The champ seemed startled as I tore into him. A smile which he wore since the opening of the fight was turning into a frown. I was bent on letting him eat that remark he made at the end of the second. 'C'mon and fight, are you afraid?' I was gradually wearing him down, Manager Dime and I agreed. Near the end of the fifth, I sank a nifty right deep into Klaus' stomach. His tongue came out a mile. The bell rang shortly after.

The "knockout"... In the sixth and final round, I came out swinging like a wildcat. We both rushed to the center and met like a pair of lions. We swung viciously. Klaus was now fighting the way I liked and I knew that it would only be a matter of seconds until I would get over that one blow. Suddenly, Klaus became careless, swinging wildly. I stepped away, with my left and shot a long right which caught Klaus flush on the chin. The sock seemed to rebound throughout the hall. Re went down like a crumbling brick building. It's impossible for me to explain how I felt when the announcer raised my hand and announced that I was champ of the world. I was the happiest man in the world. That October 11 date is a memorable date in my life. Our good friend Bill Francis, who follows sports happenings as closely as the staunchest sports lover, called our attention to the date.

This grid season a "wow".... By getting away from the cramped style of schedules, the gaudy football carnival is the best in years. The big fellows are knocking each other off at a pace that is making grid coaches' heads spin around like tops. The piskin

Expect Sharp To Give Robinson Hardest Fight

Robinson Has Won Every Bout He Has Fought Here

POPESKI YEARNs TO BOX RUBIN AGAIN

Billy Sharp, featherweight champion of West Virginia, who had an easy time outpointing Tommy Murray of Wirtton last Monday night, has a real fight ahead when he battles Smokey Robinson, the colored dynamo of Oil City, in The Arena, Monday night.

Robinson has defeated every opponent he has met here and stands at the head of the featherweight class. He has, at times, outboxed boxers and upon other occasions, outslugged sluggers. To date, no one in a local ring has been able to outsmart him.

Sharp came here with a reputation. He was supposed to have fought Harry Bonar of Chicago. However, Bonar weighed too much and Sharp was given Murray. Murray tried hard but did not possess the stuff that could combat Sharp's cleverness and experience.

There is no question but that Sharp has been picked in the hope of giving the colored boy his hardest fight. If he can, he will have done something no one else around here has been able to do. There are some fans who believe Sharp, despite his record, will also be outpointed, perhaps outpunched by Robinson.

Popeski Wants Revenge The Mickie Rubin-Joe Popeski return fight ought to be one of the most exciting of the night. In their first go it was a whale for action. Rubin was fortunate in that Popeski did not hit him hard enough to knock him out.

Rubin was on the short end of the wild-swinging, free-punching scrap. His jaw was a target for Popeski in the first round and in the second Popeski rushed, leaped his weight against Rubin who had his back to the ropes and both tumbled over the top ropes to the floor.

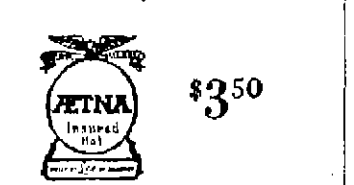

The spectators scrambled out of their way and the light-heavyweights climbed into the ring and resumed punching. The fans were in an uproar. Rubin showed a lot of gameness and seemed the fresher, despite the shelling in the first two rounds. Popeski was knocked down, got up and walked to his corner.

Had Injured Elbow He complained of an injury to his elbow and when the club physician was sent to the dressing room he found Popeski's elbow had been dislocated. It was reset and it is now said by Matchmaker Tom Leach (Continued On Next Page)

Two Games Will Be Played Next Sunday In City Football League

The Lockleys and Wabash Bears are the leaders of the City Football league at the present time with one victory apiece. Next Sunday will probably see one or the other at the top of the heap.

The Lockleys will battle the Keystones at Lockley Field and the Wabash Bears meet the Ryanstown team at the E. & A. field. Both games will start at 2:30 o'clock. It was announced by Franklin R. Crisel, president of the league today.

Mr. Crisel released the standing of the league today as follows:

Lockleys	W. L. P.
Wabash Bears	1 0 1,000
Ryanstown	0 1 1,000
Keystones	0 1 1,000

Question Using Of Picutta In Butler Battle

New Castle High Admits Misinterpretation Of New Semester Rules Of P. I. A. A.

NO FORMAL PROTEST HAS BEEN ENTERED

Butler high school did not enter a formal protest to the W. P. I. A. A. committee over the ineligibility of Albert Picutta, but they did question the right of New Castle in using Picutta at left end in the 19 to 0 defeat that New Castle handed Butler in the opening game here.

New Castle's high is not denying that Picutta is ineligible. The matter stands that Picutta under the new rules of the P. I. A. A. was not eligible for participation in the Butler game. Under the old rules of the P. I. A. A. Picutta would have been eligible.

Misinterpreted Rules. It was simply a case of misinterpreting the rules that govern how many days a boy must be in school the previous semester to be eligible for football the following semester. Picutta was ill for quite a spell last spring and was not in school the required number of days. He did not serve his 60 days absence spell this year before playing football.

If New Castle goes undefeated in class AA circles there will more than likely be a protest entered, but at the present time there is no formal protest and Butler stated in a letter to the New Castle high officials that they had no intention of protesting New Castle for using Picutta.

Guilt Admitted.

The grudge in mention has not played since the opening game of the year. It's just an unfortunate circumstance that can't be helped now and New Castle is not trying to fight the charges one bit. The guilt of violating a new rule through a misunderstanding has been readily admitted.

There may be an important decision on the case in a day or so.

Get to be a Tie Expert in one Easy Lesson

- Before buying a tie, bend back tip and pinch the wool lining—then release. A good lining will immediately spring back into shape. This springiness helps "iron out" wrinkles when the tie is off-duty.
- Hold the tie flat between your fingers and stretch it. It should twist only slightly. If it curls like a cork-screw, it's cut on the wrong bias—and will twist around when it's tied.
- Examine the tip at the large end of the tie. No mark should show through where the lining stops, something that too often happens from careless workmanship. And the stitching should be neat, no ravellings showing.

Our Arrow Ties pass all these tests with flying colors, and they're the best looking ties in town... \$1 and \$1.50

Pitt Favored Over Wisconsin

Bookies Also Like Cornell Over Syracuse, Minnesota Over Michigan

ARMY FAVORED TO TOP HARVARD

By PAT ROBINSON
International News Service Sports Editor

NEW YORK, Oct. 13.—There will be a mighty howl of protest when the punters get a look at the state the Broadway bookies are posting for this week's leading football battles.

The books seem to be away out of line on several games. Some teams appear to be overrated; others underestimated. When the writer entered a mild "beef" about this matter, one of the leading price-makers replied:

"Take 'em or leave 'em. We're not in this business for our health. And, anyhow, if you think we're out of line, why not pick up some easy dough for yourself?"

Thus challenged, we couldn't resist taking a little of that. The books are laying on Cornell to take Syracuse. Anybody who thinks Syracuse will be a pushover for a team even as good as Cornell undoubtedly is, may have a rude awakening Saturday.

Dartmouth Favored

Dartmouth seems reasonably priced over Brown at the same figure. Kentucky over Washington & Lee, and Duke over Georgia Tech. But how about the same price being set on Minnesota over Michigan, Notre Dame over Illinois and Pitt over Wisconsin, to say nothing of Holy Cross over Carnegie Tech?

We registered another kick about some of the 9 to 10 and you pick 'em group, and again the reply was: "Take 'em or leave 'em." We expected to find Columbia, conqueror of Army and Yale, a strong favorite over Colgate, but the reply was: "Columbia's worn out and Colgate should have beaten Duke last Saturday." And how about Fordham and Purdue? "Well, Fordham's untested and Minnesota only beat Purdue 7-0."

Thus it went for the rest of the 9 to 10 brigade: Army-Harvard, Texas-Aggle-Texas Christian, Vanderbilt-Mississippi, N. Y. U.-North Carolina, Rice-Texas, Stanford-Oregon and So. California-Washington State. Either the bookies are crazy on some of these, or we are. Still, we must admit, the bookies and not us are the boys riding those big limousines.

Likes Alabama

At 8 to 5, we find Marquette favorite over Kansas State, Alabama over Tennessee, Nebraska over Indiana, Texas Tech over Montana, Washington over Oregon State and Navy over Yale.

The books are quoting 5 to 2 on Temple over Bucknell, Oklahoma over Kansas, Northwestern over Ohio State (I wonder if O. S. can be that weak), Penn over Princeton and Tulsa over St. Louis.

Arkansas is a 3 to 1 shot against Texas, Baylor against Centenary, California against UCLA and Idaho against Gonzaga. And if you like any of these shorted bets, you can almost write your own figures on Santa Clara over Arizona, Iowa over Chicago, Louisiana State over Loyola, of New Orleans, and Georgia over Mercer.

They are also laying 20 to 1 you can't name the winners of the foregoing ten games they have listed at 9 to 10.

Bessemer Meets Union On Friday

Expect Large Crowd To Watch Class B Race Battle On Bessemer Gridiron

FIRST HOME GAME FOR BESSEMER TEAM

Lawrence County gridder fans will get their first view of Bessemer high's undefeated gridiron edition Friday afternoon, when the Red and Black clad aggregation meets an ancient foe, Union Township. The Class B setto starts at 3 o'clock with Bessemer field as the battleground.

Bessemer's prowess on the football field has been established, the Capezenthons having defeated Zelenople, Hubbard and Youngstown Ursuline. The game is one of the most important engagements on the bill of fare as the tussle is a Class B number. Bessemer must tumble Union and then Shenango Twp. to grab off the coveted honors. Bessemer is in tip-top shape, following a week's rest.

Union Township has not stored a victory as yet. Coach Patterson has his lads in the pink of condition for this one. A victory over Bessemer means a successful season at Scotland Lane. Union's last effort was a 25-0 setback by Shenango.

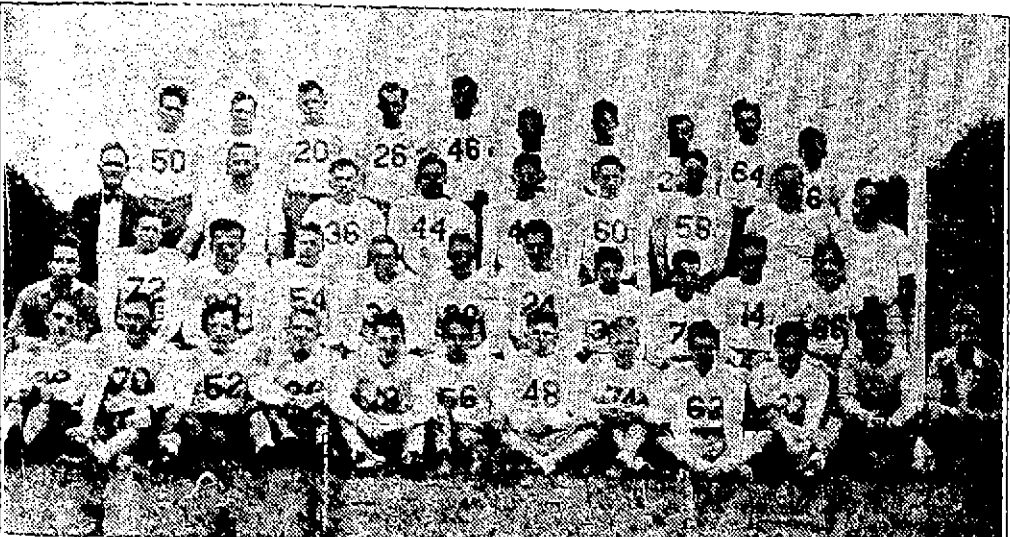

A record-breaking crowd is anticipated on the sidelines to watch Bessemer inaugurate the home season.

The probable starting lineups: Union: Caiazza, L. E. A. Drahuschak, Allen, L. T. S. Skuta, Summerton, L. G. J. McCree, Ringbloom, C. C. Kribar, S. Sniezek, R. G. Moses, Pionka, R. T. P. Durocher Hopes For Good Team

New Manager Of Brooklyn Dodgers Hopes To Have Good Team In 1939

By LAWTON CARVER
International News Service Sports Editor

NEW YORK, Oct. 13.—His full name is Leo Ernest Durocher, but that doesn't mean anything after all, for "Lippy," which is the handle they know him by throughout the major leagues, is more descriptive of the man who today manages the Brooklyn Dodgers and who is promising a "fighting, scrapping, hustling baseball club."

He was appointed successor to Buzleigh Grimes on a one-year contract and the truth of it all is that the Dodgers probably will finish sixth, or seventh, or eighth again, as they have been doing for years.

despite Lippy's promises—unless they give him some ball players.

Capable Coaches

They may get around to that, in which case the Dodgers actually may begin to make some sense. If Durocher is of major league managerial calibre. They have given him plenty of baseball brains as assistants to manage what little they've got over there. His board of strategy will consist of Charlie Dressen, once pilot of the Cincinnati Reds and currently a habitue of Nashville as manager of the Southern Association Vols, and Bill Kullier, who did time as manager of the Chicago Cubs and St. Louis Browns at odd times.

Thus ably assisted, all Durocher, erstwhile New York Yankee, Red and St. Louis Cardinal, needs now is something to manage besides the menagerie for which he played shortstop and acted as field captain last season.

Wisconsin May Halt Panthers

Jock Sutherland Has Panther Team In Fine Condition For Game At Madison

"BIGGIE" GOLDBERG IS BIG ATTRACTION

By FRANCIS J. POWERS
International News Service Sports Editor

MADISON, Wis., Oct. 13.—This town, capital of the sovereign domain and seat of the University of Wisconsin, is in a fair state of alarm. There are extra gendarmes on every corner, strangers are viewed with suspicion and children are close herded. "Biggie" is coming.

"Biggie" is Marshall Goldberg, leader of the most audacious football bandits since Rockne's last raiders stormed their way from New York to California.

Building Defense

Goldberg and his University of Pittsburgh pals invade Wisconsin at an early hour tomorrow, and the natives are ceding the town of Janesville to the Panthers without any opposition. The Badgers have fallen back on Camp Randall and are trusting their all that Gen. Harry Sutherland and his Cardinal troops will be able to save the Citadel from sack and pillage.

The General learned his military tactics from Knute Rockne and has been building a defense he hopes will make the Maginot line seem like so much tissue paper. General Jock Sutherland of the Sutherland-shire Highlanders is confident his Panthers will take Camp Randall by storm for the tail spot will be satisfied with nothing save a national football title and without any plebeists.

Great Backfield

The Panther cavalry has engaged in three easy skirmishes and Sutherland views Saturday's engagement as the most important of the fall campaign. With that in mind, Gen. Sutherland has called up his air corps to assist the infantry and horse in the attack on Camp Randall.

Pittsburgh has one of the greatest backfields of all time; one that may be classified with the four horsemen for rhythm and speed. The combination of John Chickareo, 305, Dick Cassiano, 175, Harold Stephens, 166, and "Biggie" Goldberg, 165, can do every thing; run, drive,

sweep, block and pass. Against Duquesne last week, Goldberg threw two touchdown passes and caught another that set-up a score. The Panthers really do not need forward passes to win but it gives them a deceptive arm and saves the wear and tear on the feet of Goldberg and Cassiano.

Stock Market Hits New High

Surge Of Bullishness Manifested Over Domestic Business Outlook

By LESLIE GOULD
International News Service Financial Writer

NEW YORK, Oct. 13.—The stock market swept to new high ground for the year today in a surge of bullishness over the domestic business outlook.

Gains in leaders ran from 1 to more than 2 points while some of the blue chips rose more sharply. Westinghouse was up nearly 5 points and Sloss-Sheffield 3 at its high.

The ticker fell behind for a brief period during an opening buying rush, and trading was heavy all during the session.

Coppers were among the pace-makers on the metal price rise, with gains running to more than 2 points and most active issues at new highs. Anaconda opened on 5,000 shares and dealings in others were on a big scale.

Reception Honors Memorial Church Pastor And Wife

More Than 200 Attend Delightful Affair Held Last Evening At Church

ELLWOOD CITY, Oct. 13.—More than 200 members of the Bell Memorial Presbyterian church gathered last evening at the church to extend a sincere welcome to their new pastor and his wife, Rev. and Mrs. Joseph Pringle.

Rev. Pringle, who came here from Prospect, assumed his duties on the first Sunday of October and in that brief time a great revival of interest has been displayed by the members of the church and its various organizations, which is a great source of satisfaction and thankfulness to the members who have faithfully carried on the work of the church during the year that it has been without a pastor.

During the evening a fine program was presented that included a number of selections by a quartet composed of Miss Norma Marshall, Mrs. Ellis Guy, Donald and Howard Marshall; piano solo, Miss Betty Bookamer; piano duet, Lorella and Myra Majors; reading, Miss Alice Shirley; readings, Janice McKim, 6-year-old daughter of Mr. and Mrs. Robert McKim; vocal solo, David Wiley; welcome address, Clyde B. Kouk; responses, Rev. and Mrs. Pringle, and benediction, Rev. Lay Starn.

After the presentations of the various numbers, the group assembled in the church dining room for an informal hour of fellowship. Both the auditorium and the dining room were elegantly decorated with colorful arrangements of autumn leaves and flowers and seasonal Halloween suggestions. Credit for the decorations goes to members of class 19.

To make the successful affair more complete, appetizing refreshments were served by a committee of the church women.

W. B. A. Reviews Plan Activities

Junior And Senior Lodges To Hold Halloween Parties Last Week Of October

ELLWOOD CITY, Oct. 13.—Arrangements for a Halloween masquerade party to be held on Friday evening, October 28, at the home of Mrs. J. N. Mackey, of Fourth street, were made last evening when the Junior W. B. A. review held their regular meeting in the First National Bank building.

A variety of entertainment passed the hours pleasantly following the meeting with awards being given to Emily Brouwer, Dorothy Tanner, and Helen LeMay. Each of the members was given a treat by Mrs. Mackey.

At 8 o'clock the Senior Review held their regular meeting and planned to have their next meeting on Wednesday evening, October 26, in the form of a Halloween party in the Lodge rooms.

On Tuesday, October 18, sixteen members will attend a district meeting to be held at Greenville at which time Mrs. Heppert of Akron, O. supreme grand treasurer, will be the guest speaker. At that meeting the Ellwood Lodge will present a special drill and the hours last evening were devoted to practicing for that occasion.

Delicious refreshments were served at the close of the evening by the officers.

Welcome Class Has Dinner Meet

ELLWOOD CITY, Oct. 13.—Members of the Welcome Bible class of the First Presbyterian church gathered last evening in the church dining room for their monthly dinner meeting.

The delicious dinner was served by a committee composed of Mrs. Minnie Simpson, Mrs. Fred Jackson, Mrs. Rae Chambers and Charles Hazen. Mrs. John Callen was in charge of the evening's entertainment.

Gold Star Mothers Entertained By Mrs. Ella Hennon

ELLWOOD CITY, Oct. 13.—The Gold Star Mothers auxiliary of Beaver Valley was graciously received on Wednesday afternoon by Mrs. Ella Hennon, at her home, on the Ellwood-New Castle road, with fourteen members attending.

Mrs. Jessie Sands, of Rochester, Thomas Brownlee and Frank Webster, of the Valley, were special guests and the latter two gave brief talks in which they invited the auxiliary to participate in the Beaver county Armistice Day celebration to be held on Friday, November 11, at Beaver Falls.

Honoring the occasion of the 80th birthday anniversary of Mrs. Dura Randolph, of this city, which occurs today, the members presented her with a collection of lovely handkerchiefs.

In serving a dainty lunch, the hostess was assisted by Mrs. Bessie Wilson and Mrs. Dorothy Prosser.

For the next meeting on Wednesday, November 8, Mrs. Margaret Anderson will receive at her home, Bonneyview Farm, Patterson Heights.

Surprise Fire Drills In Schools

Fire Prevention Week Brings Test Of Speed For Emptying Buildings

ELLWOOD CITY, Oct. 13.—"Surprise" fire drills conducted by Fire Chief Wolfe and Chamber Secretary Dorothy Schill sent every school child out of their respective buildings yesterday morning.

No one except the two conducting the drill knew of the time and date of the drill which was part of the City Fire Prevention Week.

All previous records were broken in the grade schools and splendid organization was found in every school in the city.

The following report on the schools will be submitted to the Board of Education.

1. West End school—222 pupils. Time taken to empty building—41 seconds. Remarks: This is an excellent record. Good order and bettered last year's time by 3 seconds.

2. Circle school—173 pupils. Time taken to empty building—1:02. Remarks: Excellent record. Good order and bettered last year's time by 15.5 seconds.

3. Fourth Ward school—432 pupils. Time taken to empty building—1:15. Remarks: Excellent record. Good order and bettered last year's time by 37 seconds.

4. Ewing Park school—179 pupils. Time taken to empty building—45 seconds. Remarks: Excellent record with excellent order. Bettered last year's time by 15.1 second.

5. Hartman school—841 pupils. Time taken to empty building—1:21. Remarks: Excellent record with excellent order. Bettered last year's time by 2 seconds.

6. Lincoln school—1852 pupils. Time taken to empty building—2:42. Remarks—Fair record. 9.5 seconds more time consumed this year than last year.

Farewell Dinner At M. E. Church

Lovely Affair Honors Rev. And Mrs. O. B. Emerson On Wednesday Night

ELLWOOD CITY, Oct. 13.—Highlighting the social activities of Wednesday evening was a lovely farewell dinner held by members of the First Methodist church in honor of Rev. and Mrs. O. B. Emerson, who have faithfully served the congregation for the past three years.

For the occasion, the dining room was colorfully decorated with Halloween decorations and the delicious three-course dinner was served under the supervision of Mrs. Paul Winter, president of the Ladies Aid society. She was capably assisted by a committee selected from the various Aid society units. The attendance was very large and was representative of the various age groups of the church.

After a period of harmonious group singing, Mrs. Winter as toastmistress introduced J. H. Brown, retiring superintendent of the Sunday school. Mr. Brown mentioned the achievements that have been accomplished under Rev. Emerson's pastorate and expressed the appreciation of the congregation for his worthwhile services. Rev. Emerson responded and thanked the members for their cooperation and support.

Mrs. C. A. McCurdy, president of the Women's Missionary society, spoke in an interesting manner with her subject being "A Light and a Lamp." Mrs. Emerson accepted the gift and responded in a gracious manner.

As president of the Epworth League, Miss Margaret Lusher told of Rev. Emerson's aid and interest displayed in the young people's work and presented him with an appropriate picture as a remembrance from the organization she represented. The remainder of the evening was passed in an informal manner.

Rev. and Mrs. Emerson moved to New Brighton, where the former has been assigned to the Methodist church, this morning. The Emersons have been well-liked and highly regarded by the entire community and joins the congregation in wishing them continued success and happiness.

Last evening the new pastor and wife, Rev. and Mrs. H. T. Carson, were honored at a farewell dinner by the Presbyter congregation, which they have served for some time. The Carsons moved to the Methodist parsonage on Crescent avenue this afternoon.

Sons Of Legion Elect Officers

Bugle And Drum Corps To Play For Grove City-Geneva Game Friday Night

ELLWOOD CITY, Oct. 13.—An election of officers was the highlight of the semi-monthly meeting of the Sons of Legion held last evening in the Legion hall, in Sixth street, with a large attendance of members participating.

Those selected were: Captain James McLaughlin; first lieutenant, Malcolm Wilson; second lieutenant, Billy Wilson; adjutant, Andy Kaluger; finance officer, Paul Neuman; sergeant-at-arms, Jack Jordan; chaplain, Charles Greenwood; and historian, Jack Dunning.

On Wednesday evening, October 19, the rifle team will hold their first winter practice at the senior range. The Sons of Legion Bugle and Drum Corps will play at the intermission of the Geneva-Grove City college football game on Friday night at Reeves stadium. The opportunity to play at this event is a distinct honor to the boys and their friends are proud of their splendid progress.

For the past year, J. Arthur Grandey has been sponsor of this new organization and under his capable direction it has grown to be one of the leading youth organizations of the city. Herman Persons is the new sponsor and will be in charge of the next meeting to be held on Wednesday evening, October 26. During the winter months the meetings will begin at 7 o'clock instead of the usual 7:30 starting hour.

Before departing for home the group were served delicious cookies and hot chocolate by Billy and Jimmy Greenham, Richard Barnhart, Jimmy Simpson, Loyd Wilson, Dan Stamm, Jr., and Carl Shirley, Jr.

District Deputy Of Elks' Lodge Visits Ellwood

More Than 100 Members Greet Fred MacGribble, Of Alliquippa, On Official Visit

ELLWOOD CITY, Oct. 13.—When district deputy grand exalted ruler, Fred MacGribble, of Alliquippa, paid his official visit to the Ellwood City Elks Lodge on Wednesday evening, he was greeted by more than 100 members of the local lodge.

Mr. MacGribble brought a most interesting message from Grand Exalted Ruler, Harold McCormick, of Columbus, O., in which he stressed the importance of good fellowship and tolerance.

After a class of candidates were initiated by the degree team, a number of announcements were made including that of the annual Halloween dance to be held in the ballroom on Friday evening, October 21. The recreation reported that a volleyball court has been installed and a tournament will be staged during the winter months with the first match to be held on Thursday evening, October 20. They also reported that a badminton set has been added to the regular activities of ping pong and shuffle board.

Joseph Riley, chairman of the 68 committee, reported that activities would begin on Tuesday evening, October 18, and continue every Tuesday evening thereafter.

It was agreed to continue the Lodge's membership in the Chamber of Commerce.

After the meeting, the members gathered in the dining room where they enjoyed a sumptuous steak dinner prepared by Lewis Young and his committee.

Semi-monthly meetings will be resumed with the next regular meeting scheduled for Wednesday evening, October 26.

Church Women Attend Annual Fall Convention

ELLWOOD CITY, Oct. 13.—Mrs. Edwin Morgan, Mrs. Ernest Peltzer, Mrs. Carl Matthews, Mrs. Clarence Yahn, Mrs. Ben Anderson, Mrs. Charles Hauserman, Mrs. William Slade, Mrs. James Jennings and Mrs. Herbert Rice of the Women's Missionary society of the Knox Presbyterian church, attended the annual fall convention of the Beaver Presbyterian held on Wednesday at the College Hill church.

Representing the North Sewickley church were Mrs. R. E. Bell, Mrs. Oliver Allen, Mrs. Mary Baxter, Mrs. Clem Hayes, Mrs. S. C. Hart, Mrs. G. P. McDougall and Mrs. Walter Blinn.

Miss Katherine Rendellman, of Pittsburgh, was the morning speaker with her theme being, "Women's Place in the Church." In the afternoon, Rev. J. J. McIlwaine, of New Castle, was the guest speaker and his subject was "Our Marching Orders."

On Friday, October 21, an all-day conference of officers, workers, and delegates will be held at the Wurttemberg church, which local officers will attend.

Service Club Has Halloween Party

Most enjoyable Halloween party was held on Tuesday evening by members of the Women's Service Club of Wurttemberg at the home of Mrs. James Cogley of Ellport.

A variety of interesting games and contests passed the hours pleasantly with awards going to Mrs. Mildred Hook, Mrs. Amanda Duncan and Mrs. Ethel Vinroe.

At the close of the evening, a tempting lunch was served by a committee headed by Mrs. Duncan with Halloween appointments being featured.

Owing to election day occurring on the next meeting date, the November meeting will be held on Thursday, the 10th, at the home of Mrs. Frank Cogley, of Burnstown.

HOSPITAL NOTES

ELLWOOD CITY, Oct. 13.—Discharged: Mrs. Joseph Frank and baby, Wampum; Morris Simoff, Lawrence avenue.

The condition of Mrs. Sara Ramsey Marquis, who has been confined to her home at Belton, remains unimproved.

Party Planned For Young People Of Methodist Church

ELLWOOD CITY, Oct. 13.—When members of the officers and teachers of the First Methodist church gathered on Tuesday evening in the church for a business meeting, plans were made to hold a Halloween party for the young people's department on Tuesday evening, October 25.

Mrs. G. C. Denniston, superintendent of the department, will be in general charge and her aides will be Norbert Rossman, decorations; Miss Margaret Lusher, lunch, and Miss Virginia Welling, entertainment.

Norbert Rossman, Virginia Welling and J. H. Brown were appointed as a committee to secure a Christmas play.

A meeting will be held in the near future to elect a superintendent for the adult department. The various classes will have a part in the selection of the new officer.

Braeden Circle Annual Dinner On Friday Night

ELLWOOD CITY, Oct. 13.—On Friday evening members of the Mary Braeden Circle of the Wurttemberg United Presbyterian church will hold their annual harvest dinner at the church, with the dinner to be served at 5:30 o'clock.

All former members and friends of the Circle are invited to join the event, which will feature a program of songs and plays. Mrs. Clifford Gibbons will conduct a question bee as an added feature.

Mrs. Marburger Has B. & G. Club

ELLWOOD CITY, Oct. 13.—Mrs. Russell Marburger pleasantly entertained members of the B. & G. Club last evening at her home, on Bluff avenue, for the regular bi-weekly meeting.

Contract bridge was played at two tables with Mrs. Marburger and Miss Eleanor Grinnin being the winners of top score. Miss Kay Lundgren and Miss Letitia Clyde shared as special guests. Tempting refreshments were served by the hostess.

For the next meeting, Miss Vera Welsh will entertain at her home, in Hazel avenue.

POLICE SEEKING WOMAN

ELLWOOD CITY, Oct. 13.—Local police are looking for a woman, Mrs. W. J. Cyphers, 26, of 3341 Spring Garden, North Side, Pittsburgh, and three children aged 6, 5, and 2, who disappeared from their home on Tuesday.

The woman, who is said to be suffering from a nervous disorder, appeared in this city on Wednesday and was questioned by the local police but not detained. They obtained her name and address and notified her husband, a P. and L. E. conductor, who came after her but was unable to find her in this city.

North Sewickley School Erection Plans Approved

Applications For Funds Under Thompson Plan Are Successful

ELLWOOD CITY, Oct. 13.—Members of the North Sewickley township school board have received word that their application for funds for the erection of a new consolidated school building and an addition to the present Locust Grove school under the Thompson plan has been approved. The board asked for a sum of \$125,000 and they have been granted \$122,000 for the proposed project. It is stated.

Tentative plans call for the erection of a 12-room building in the southern end of the township and at the present time the board has an option on the Douglas farm, located on the Ellwood-New Brighton road, near the North Sewickley township grange. This new consolidated school would replace a number of one-room buildings. Four rooms would be added to the Locust Grove school. Announcement of the approval of the plans was made at the regular October meeting held on Tuesday evening.

AROUND CITY HALL

Sally Rand, the fan gal, has a heart-ache and if anyone can cure it she is willing to pay \$50. Here's the idea. Sally was asleep in her auto enroute from Harrisburg west. Her male Peke dog was in the car, too. Somewhere west of the state capital the dog became lively but Sally did not awaken. The dog leaped from the window. Sally had a heart-ache when she awakened and notified the State Motor police of her loss; at the same time offering a reward of \$50 for recovery of the dog.

Chief of Police Ralph A. Criswell has been invited by Commander Foote of the State Motor Police to attend the graduating exercises in connection with the operation by the motor police of a school for municipal police, Friday night at Hershey. Dent Shields, Tom Farrow, Clarence Welsh and William Smith will graduate. So will Charles Shepp. The former four are city police officers. Shepp, for a time, served temporarily as a city policeman.

DAILY DOZEN

(From the Medical Society of
the State of Pennsylvania)

Shun, oh shun, those awful sneezers.

Who are loud and frequent sneezers.

Colds are spread about by sneezers and coughers.

Chilly weather will not create a cold.

The Eskimos never knew what a cold was until the white man came.

The symptoms are almost too familiar to need repeating.

A fullness in the head, obstruction of nasal breathing, sneezing.

There is generally a discharge from the nose.

"Cold sores" may appear on the lips, nostrils or in the mouth.

The muscles may ache and a tired feeling come over the body.

Improperly heated houses and over-dressing may encourage a cold.

Keep in good physical condition—and away from sneezers.
